## OVERVIEW

---

This Ferretti 760 flybridge motor yacht marries timeless Italian styling with a thoughtful, space-maximising arrangement, offering dependable seakeeping and a fully documented service record. Recently the subject of an extensive programme of mechanical and cosmetic works carried out between 2024 and 2026, she has been carefully refreshed and modernised to present in exceptional condition.

Accommodation for up to nine guests is arranged across four elegantly appointed staterooms, with generous interior volume complemented by inviting alfresco living areas that make her equally suited to intimate private cruising or discerning charter operations. The onboard layout enhances the sense of space and flow, creating relaxed, luxurious environments both inside and out.

Propelled by twin Caterpillar engines and capable of speeds approaching 32 knots, she benefits from recent technical upgrades that reinforce her reputation as a reliable, proven platform. For buyers seeking a ready-for-use yacht with immediate cruising readiness, this Ferretti 760 represents a compelling, turnkey opportunity.

# DETAILED DESCRIPTION

---

## Accommodations

---

M/Y Arcelia welcomes up to eight or nine guests within four beautifully appointed cabins. The master suite and a luxurious VIP cabin each include private ensuite facilities, while one twin cabin features two single beds that can be converted into a double. The second twin offers two single berths plus a Pullman bed suitable for a child or a small adult, delivering adaptable and comfortable sleeping arrangements to suit any itinerary.

## Tenders

---

Outfitted with a newly installed Honda 50 hp engine (2026), this Novurania tender delivers rapid, dependable transfers and effortless, carefree coastal exploration, artfully combining lively, responsive performance with hushed, fuel efficient operation on every outing.

## Audio & visual equipment

---

Onboard entertainment is elevated in the saloon, which boasts a 40-inch Samsung Smart LCD TV accompanied by an integrated stereo system that pairs effortlessly with iPhone, iPad and Android devices via Android Home, providing intuitive control and seamless streaming. The owner's suite is appointed with a refined 23-inch Samsung flat-screen, while the VIP cabin offers a 19-inch Samsung television, ensuring bespoke viewing for each guest. Premium programming is supplied through Netflix and Cosmote TV, presenting an extensive selection of films, series and live channels.

## Additional information

---

Onboard comfort is assured by a reverse-cycle air-conditioning system delivering 72,000 BTU, supported by two boilers for dependable service. The electrical installation features a 220 V mains supply complemented by 12 V and 24 V circuits, with endurance provided by a bank of sixteen 180 Ah batteries replaced in 2025. Precise handling in tight quarters is enabled by Max Power bow and stern thrusters, each rated at 250 kg of thrust. For extended cruising autonomy the yacht is equipped with an Idromar desalinator producing 250 lt/hr and an Idromar watermaker rated at 250 lt/hr.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
