## OVERVIEW

---

Azimut 78 M/Y "Time Out" is offered for sale in her current location and is proudly presented by our company as Central Agent. This refined 2021 flybridge yacht from Azimut Yachts combines timeless lines with modern technology, delivering both elegance and performance. Stabilization is handled by a Seakeeper NG 26, while propulsion comes from three potent Volvo engines of 1000 hp each, ensuring confident cruising. Onboard systems include a 180 l/h watermaker, and the profile is enriched by an Etna Gray hardtop and a Grigio Ischia hull finish that contrast beautifully with a full teak deck. Practical and aesthetic details are thoughtfully specified, from Oceanled underwater lights to a comprehensive Raymarine Gold navigation package, alongside numerous other useful amenities.

A nearly new Pirelli J39 tender accompanies the yacht, having accumulated approximately 17 engine hours. Since delivery to her owner in late August 2021, "Time Out" has been carefully maintained and reserved for family use, largely in the waters of Sardinia. The vessel's condition is outstanding thanks to regular maintenance and winter storage ashore in a heated facility. Registered in Jersey, she is available for inspection in Varazze, Italy. This is an opportunity to acquire a yacht that perfectly blends luxury, sophistication and turnkey readiness.

# DETAILED DESCRIPTION

---

## Section name

---

The Advance Package of this yacht elevates both performance and onboard comfort with a rich selection of technical enhancements and refined luxury appointments, beginning with an additional Kohler generator rated at 20.5 kW to guarantee uninterrupted power for every system onboard. Waste management is simplified by an integrated Black Water Tank Washing System and Grey Water Tank Washing System, while the interior décor has been upgraded to present a more polished and elegant ambiance. Navigation and safety are enhanced by an electric searchlight with an extra control station at the second helm and additional conduits to ensure robust electrical connectivity, and culinary expectations are met by upgraded Miele appliances including an oven and cooktop. Practical preparation for extended cruising is provided through a shore water connection and a predisposition for a watermaker designed to accommodate saltwater, freshwater and electrical integration. For those seeking supreme propulsion, the main system options include an upgrade to three VOLVO IPS 1350 engines, each delivering 1000 hp, complemented by a bow thruster rated at 11.4 kW and the Seakeeper Stabilizer NG26 for exceptional maneuverability and a remarkably steady ride; a watermaker with a capacity of 180 liters per hour and a Pirelli J39 tender further extend autonomy and convenience. The yacht's exterior is conceived with both style and functionality in mind: a cockpit docking station simplifies mooring, a bow sun shade with removable carbon fiber poles shelters the fore sunbathing and seating areas, and a teak bow table together with cockpit furniture featuring an automatic awning and teak tops create a harmonious al fresco living space. The flybridge is appointed with a co-pilot seat, dimmable lighting and furniture with storage and teak tops, while the painted hardtop in

Etna Grey, aft fly lounge furniture including two love seats in Batyline with a coffee table, luxury exterior lighting package, maneuvering lights on the bow and underwater lights beneath the sponsons and transom compose a dramatic and functional exterior. Finishing touches such as painted domes in Grigio Etna, a painted hull and gunwale in Grigio Ischia, teak on the flybridge deck, a telescopic gangway and upgraded external cushions in Batyline ensure a cohesive, premium appearance. Inside, lacquered electric blue inserts on the forward salon bulkhead create striking contrast, the crew cabin benefits from a third bed, and a co-pilot seat is available at the main helm; guest accommodation is elevated with toilets in the VIP and guest cabins featuring bidet faucet functions and the master head including a bidet. The salon is enhanced by a designer table lamp, a domotic lighting system and an interior scenic lights package, while the master head shower wall is adorned with marble and a hi-lo TV mechanism in the salon provides flexible entertainment, complemented by a full set of linens for the cabins and crew. Everyday convenience and hospitality are covered by thoughtful appliance choices: an icemaker on the flybridge, separate washer and dryer units in the crew cabin, a barbecue integrated into the cockpit furniture, a dishwasher, a wine cooler in the galley and a refrigerator within the cockpit furniture. The electronics suite is comprehensive, featuring a Garmin AIS 800 and the Volvo Glass Cockpit Gold Package; the flybridge carries two Volvo Glass Cockpit 8616xsv 16" multitouch MFDs with sonar, a GRID 20 Remote Controller, a GHS 11i Wired VHF Handset with Active Speaker, VHF Antenna, GPS 19x and a Garmin GMR Open Array Radar, while the main helm mirrors this capability with two Volvo Glass Cockpit 8616xsv 16" multitouch MFDs with sonar, a GRID 20 Remote Controller, Volvo Autopilot, a DST 800 transducer for Speed, Depth & Temp, a Chart Reader, a GHS 11i Wired VHF Handset with active speaker, a VHF 315i and a GMS 10 HUB Ethernet. Entertainment and audio are delivered through the Smart Audio/Video Package with bespoke solutions throughout: the cockpit is fitted with two Fusion 7.7" speakers with remote control, the salon boasts a 55" LG

LED TV with a Bose Solo 5 TV soundbar, the bow deck features two Fusion 6.5" speakers with remote control, the master cabin includes a 55" LG LED TV and Bose Solo 5 soundbar, the crew cabin is equipped with two Fusion 5.25" speakers and a remote controller, and the flybridge offers two Fusion 7.7" speakers paired with a Fusion stereo system, together creating an immersive audio visual experience across the yacht.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
