OVERVIEW

Azimut 78 M/Y "Time Out" is currently on the market, with our company proudly serving as the Central Agent for this stunning vessel. This remarkable flybridge yacht, crafted by Azimut Yachts in 2021, features a classic design enhanced by state-of-the-art amenities. Outfitted with a Seakeeper NG 26 stabilizer and driven by three powerful 1000 hp Volvo engines, she promises a seamless and robust cruising experience. Notable features include a 180 l/h watermaker, a sophisticated Etna Gray hardtop, a captivating Grigio Ischia hull finish, and a full teak deck that adds to her exterior charm. The yacht is also equipped with Oceanled underwater lights and a comprehensive Raymarine Gold navigation suite, along with a host of other practical features.

Accompanying the yacht is a nearly new Pirelli J39 tender, which has clocked only about 17 engine hours. Since being delivered to the owner in late August 2021, "Time Out" has been carefully maintained and used exclusively for family excursions, mainly in the picturesque waters of Sardinia. The yacht is in outstanding condition, thanks to consistent maintenance and winter storage in a heated facility onshore. Registered in Jersey, she is available for viewing at your convenience in Varazze, Italy. Seize this chance to acquire a yacht that epitomizes luxury and elegance.

DETAILED DESCRIPTION

Section name

The Advance Package of this yacht presents a remarkable selection of features crafted to elevate both practicality and opulence. Central to this package is an additional Kohler generator with a 20.5 kW capacity, guaranteeing a steady power supply for all onboard systems. The yacht is fitted with systems for washing both black and grey water tanks, ensuring a clean and efficient waste management process. The interior décor has been enhanced to offer a more sophisticated and elegant atmosphere.

For navigation and safety, the yacht includes an electric searchlight with an extra control at the second helm, along with additional conduits for improved electrical connectivity. The Miele appliances, particularly the oven and cooktop, have been upgraded for superior culinary performance. A shore water connection is available, and the yacht is prepped for a watermaker, accommodating saltwater, freshwater, and electrical systems.

Additional options for the main system feature an upgrade to three VOLVO IPS 1350 engines, each providing 1000 hp, delivering outstanding power and performance. A bow thruster with 11.4 kW enhances maneuverability, while the Seakeeper Stabilizer NG26 ensures a smooth and stable journey. The watermaker has a capacity of 180 liters per hour, and a Pirelli J39 tender is included for easy shore trips.

The yacht's exterior is designed for both elegance and comfort. A cockpit docking station simplifies mooring, while a bow sunshade with removable carbon fiber poles offers shade for sunbathing and seating areas. The bow table is made from teak, and the cockpit features an automatic awning and furniture with a teak top. A co-pilot seat on the flybridge, dimmer lights, and flybridge furniture with storage and a teak top contribute to the luxurious

ambiance. The hardtop is painted in Etna Grey, and the lounge furniture on the aft fly includes two love seats in Batyline with a coffee table. The luxury lighting package for exteriors, maneuvering lights on the bow, and underwater lights beneath the sponsons and transom create an enchanting atmosphere. The exterior is completed with painted domes in Grigio Etna, a painted hull and gunwale in Grigio Ischia, teak on the flybridge deck, a telescopic gangway, and upgraded standard external cushions in Batyline.

Inside, the yacht boasts lacquered electric blue inserts on the forward salon bulkhead, a third bed in the crew cabin, and a co-pilot seat in the main helm. The VIP and guest cabins are equipped with toilets featuring bidet faucet features, and the master head includes a bidet. A designer table lamp in the salon, a domotic lighting system, and an interior scenic lights package enhance the interior ambiance. The master head shower wall is adorned with marble, and a hi-lo TV mechanism in the salon provides entertainment options. A set of linens for the cabins and crew cabin is also included.

The yacht's appliances are designed for convenience and luxury. An icemaker is located on the flybridge, and the crew cabin is equipped with a washer and dryer as separate units. A barbecue is available for the cockpit furniture, along with a dishwasher, a wine cooler in the galley, and a refrigerator in the cockpit furniture.

The electronics package includes a Garmin AIS 800 and the Volvo Glass Cockpit Gold Package. The flybridge features two Volvo Glass Cockpit 8616xsv 16" multitouch MFDs with sonar, a GRID 20 Remote Controller, a GHS 11i Wired VHF Handset with Active Speaker, a VHF Antenna, a GPS 19x, and a Garmin GMR Open Array Radar. The main helm station is equipped with two Volvo Glass Cockpit 8616xsv 16" multitouch MFDs with sonar, a GRID 20 Remote Controller, a Volvo Autopilot, a DST 800 Transducer for Speed, Depth & Temp, a Chart Reader, a GHS 11i Wired VHF Handset with an active speaker, a VHF 315i, and a GMS 10 HUB Ethernet.

The video, TV, and Hi-Fi systems are part of the Smart Audio/Video Package. The cockpit features two Fusion 7.7" speakers with a remote control, while the salon is equipped with a 55" LG LED TV and a Bose Solo 5 TV soundbar. The bow deck includes two Fusion 6.5" speakers with a remote control, and the master cabin features a 55" LG LED TV and a Bose Solo 5 TV soundbar. The crew cabin is equipped with two Fusion 5.25" speakers and a remote controller, and the flybridge includes two Fusion 7.7" speakers and a Fusion stereo system.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
