DETAILED DESCRIPTION

Sunseeker 76Y

Delivered as part of Sunseeker's acclaimed flybridge range, the Sunseeker 76 motor yacht achieves a refined balance of contemporary British design and high performance engineering. Measuring 23.6 metres, she blends elegant styling with practical luxury to create expansive living spaces and a seamless indoor outdoor flow. Presented in excellent condition, she showcases the meticulous craftsmanship and premium finishes for which Sunseeker is renowned. High gloss wood cabinetry, soft neutral furnishings, and large panoramic windows flood the main deck with natural light while framing uninterrupted views of the surrounding seascape. The main salon is thoughtfully arranged with generous lounge seating and a formal dining area, opening directly to the aft cockpit through sliding glass doors to form an open, sociable environment ideal for entertaining or relaxing at anchor. A well appointed forward helm ensures precise navigation while keeping the helmsman connected to guests. Accommodation welcomes up to eight guests across four beautifully designed cabins. The full beam master suite offers a tranquil retreat with ample storage and refined detailing, while the additional guest accommodation—comprising a lux cabin and two double cabins, one with an additional pullman—delivers comfort and flexibility for family cruising or hosting friends. Bathrooms are finished to a high standard with modern fixtures, mirrored cabinetry, and elegant detailing. Outdoor living is equally impressive, with multiple areas dedicated to leisure and enjoyment. Wide side decks and expansive glazing elevate the onboard experience, while the aft and salon spaces read as a natural extension of the water. Powered by twin MAN V12 engines, the Sunseeker 76 Yacht delivers smooth cruising and responsive handling, equally at home on relaxed coastal passages or longer voyages.

Offered for sale with a Williams 435 Sportjet tender, she fuses practicality with style, comfort, and performance—an engaging opportunity to experience luxury yachting with proven pedigree, ideal for private enjoyment and entertaining in the world's most desirable cruising grounds.
