DETAILED DESCRIPTION

2025 Sunseeker 76 Yacht

2025 Sunseeker 76 Yacht "BAZINGA" | Miami Beach, Florida. BAZINGA represents the apex of contemporary yachtbuilding, a 2025 Sunseeker 76 that pairs dramatic styling with spirited performance and sumptuous accommodation. Presented in exceptional, turnkey condition and duty paid, this low hour vessel is prepared for immediate cruising throughout South Florida, the Bahamas and beyond. Twin MAN V12 powerplants provide assured acceleration and refined handling, augmented by a Sleipner SPS66B hull stabiliser unit fitted with a Vector Fin VF1050 to ensure smooth passages. The yacht's exterior living spaces are generous and versatile: a capacious flybridge, a welcoming foredeck lounge and a hydraulic swim platform combine with an open, light filled main deck, panoramic glazing and seamless indoor outdoor circulation to create a yacht tailored to entertaining and relaxed cruising alike. Notable equipment includes a panoramic sliding sunroof, Yacht Controller, Starlink connectivity, additional refrigeration distributed throughout the boat, an Idromar fresh water maker and Garmin navigation displays throughout. Every aspect of the deck plan has been specified for comfort and lifestyle. The flybridge sports a hardtop with an electric retractable canopy and an aft awning that integrates beautifully with the panoramic sliding sunroof and the Beach Club package, while exterior illumination is carefully considered with four dual colour blue/white Lumishore TIX403 LED underwater lights. The foredeck is fitted for indulgence and convenience with a full covers package, a Morton Marine Monte Carlo Parasol three metres with an offset post and two sockets, a Lewmar 50kg Delta galvanised anchor, expansive bow sunbathing cushions, a fresh water deck wash outlet, teak forward side decks, a fixed top teak foredeck table on a polished stainless steel leg, Sonance Extreme

speakers and two Webasto Isotherm Cruise 36 24V 36 litre drawer refrigerators with stainless steel fronts installed beneath the bow sunbeds; the foredeck also features a winch and low level LED deck and side deck lighting.

The bathing platform is conceived for both practicality and leisure, with retractable cleats for a tender, a fresh water deck wash outlet, a folding stainless steel bathing ladder, a Glendinning Cablemaster power feed with a 120/240V 60Hz 50 amp AC shorepower socket, an overhead platform shower and a handheld Whale Twister swimming shower, plus an electric grill in a drop down workstation including a Marine Bainbridge LE60113 electric grill. The cockpit welcomes guests beneath a rear camper in Sunbrella Plus Jet Black 5032 and a full covers package, featuring a corner seating group on the forward port side, a Waeco Coolmatic 80 litre refrigerator NRX80, a Vitrifrigo stainless steel ice maker, a third station engine control in the aft cockpit with throttles, stop/start and thruster control, stern docking winches, a 12 volt dinghy inflator and socket and dimmer switches for all interior and exterior overhead lighting.

An entertainer's haven, the flybridge is appointed with a water purifier for the icemaker, a wetbar with a raised shelf bar top illuminated by LED lights set in low iron frosted glass, teak decking and a teak dining table. Culinary and service equipment includes a Kenyon Marine electric BBQ grill, a stainless steel ice maker, a top loading coolbox with refrigerated cool plate, a Coolmatic 80 litre refrigerator, a Webasto Isotherm Cruise 36 24V 36 litre drawer refrigerator, Sonance Extreme speakers, a horn and stern docking lights. Navigation and control on the flybridge are comprehensive with two Garmin GPSMAP 8416 sixteen inch multi function displays (or Garmin 8616 for US spec), Garmin Autopilot with a GHC 50 control display, a Garmin GHS11 VHF repeater handset, a Garmin GMI 20 instrument repeater, a Richie Helmsman HF 743B flush mount magnetic compass and a Sanshin Twin Beam remote controlled searchlight HR 1012, while a third station engine

control is positioned in the aft cockpit for convenient operation.

The main helm mirrors this extensive specification with twin Garmin GPSMAP 8416 sixteen inch multi functional screens and a third sixteen inch display dedicated to the vessel monitoring system, a Garmin GRM Fantom 54 four foot open array radar with a 72 nautical mile range, a Garmin GPS 24XD antenna, Garmin Autopilot GHP Reactor 40 control, a Garmin 315 VHF radio with Class D DSC, a Garmin fishfinder with a B744v transducer for depth, speed and seawater temperature, two Garmin GMI 20 instrument repeaters and a Garmin AIS 800 transceiver system with dedicated VHF and GPS receiver, all guided by a Richie Helmsman HF 743B compass and supported by a remote controlled searchlight. Safety and comfort onboard are enhanced by a Fireboy Xintex FR 200 two zone fire alarm system and elegant Cadorin hardwood flooring to the saloon, dining area and helm in Oak – White Grey Varnished ROESP226x (930143).

The interior entertainment and finishing are curated to a high specification with a Peplink MAX BR1 Pro 5G router, a Samsung 55 inch UHD Smart 4K television on a fall and rise system in the saloon paired with a 4K UHD Blu ray player and a surround system driven by a Sonos Amp and Sonos Subwoofer, complemented by saloon table lamps and Roman blinds. The dining area is finished in Smoked Figured Eucalyptus with a White Minerva Calcutta dining table insert, and the upper galley continues the theme with Smoked Figured Eucalyptus cabinetry, a White Minerva Calcutta worktop, a Quooker Flex Tap delivering instant boiling, filtered chilled and sparkling water, custom Frigoboat G67291 integrated refrigeration, a Miele KM6520FR four ring touch control ceramic hob, an integrated Miele H7240BM microwave oven, a Miele integrated slimline dishwasher and a Victrifrigo DCW95 multi voltage wine cooler for twenty bottles.

Access to the accommodation decks is refined with a Splendide Washer/Dryer WDC7200XCD and continued Cadorin hardwood flooring on the main stairs

and lower lobby in Oak – White Grey Varnished. Below decks, BAZINGA offers four staterooms, each with an ensuite, including a full beam master suite, a generous VIP and two twin guest cabins, while separate crew quarters guarantee privacy and professional service. The master cabin is richly appointed in Smoked Figured Eucalyptus with Sensational Original Flooring in Icing Sugar 707270, a concealed Dometic Safe MD 361, a sprung mattress, Tropical spec air conditioning, a Samsung 55 inch UHD Smart 4K television with a 4K UHD Blu ray player and Proficient soundbar, minibar refrigeration, dimmer switches, bedside lamps and reading lights. The master bathroom continues the premium finishes with Smoked Figured Eucalyptus in a high sheen satin finish, RAL white 9010 satin finish window moulding, Minerva Calcutta white satin surfaces, Sylmar Koko satin finish flooring, polished chrome fittings, a Tecma toilet and a chrome heated towel rail 700x400mm.

The forward cabin embraces the same Smoked Figured Eucalyptus wood finishes with RAL white 9010 satin window moulding, under bed drawers, polished chrome fittings, a concealed Dometic Safe MD 281 (8.3 litres, W280mm x H165mm x D235mm), and a Samsung 43 inch UHD Smart 4K television with a 4K UHD Blu ray player and a Proficient soundbar; its ensuite echoes the yacht's refined palette with high sheen Smoked Figured Eucalyptus, a white satin finish Minerva Calcutta vanity top, matching splashback and shower linings, Sylmar Koko satin flooring and a chrome heated towel rail 700x400mm. The starboard mid cabin is fitted as a double bed option with a Samsung 32 inch HD Smart television driven by a Sonos Amp, dimmer switches and an ensuite finished with white satin finish Minerva Calcutta vanity and splashback, Sylmar Koko flooring, polished chrome fittings and a chrome heated towel rail 700x400mm. The port mid cabin showcases Smoked Figured Eucalyptus high sheen satin wood with a 24 inch HD television powered by a Sonos Amp and Fusion ceiling speakers, dimmer controls and twin berths that electrically slide together to form an

occasional double, with its bathroom featuring White Minerva Calcutta vanity top and shower linings and Sylmar Koko satin flooring.

Crew accommodation is equally well specified with an Ovation light grey berth surround bolster, Fog Altro carpets, an Ice Octans settee, a white Minerva gloss finish shower room vanity top, a 24 inch HD television connected to a Fusion Apollo radio with Bluetooth and AirPlay, Fusion ceiling stereo speakers, separate Bosch WAW285H2UC washing machine and Bosch WTG865H4UC tumble dryer, a stainless steel dual voltage Vitrifrigo DW360 DT with refrigerator above and lower freezer/refrigerator below, dimmer switches for overhead lighting, engine room access from the crew cabin and a Seaglaze 28 Ocean heavy duty watertight door.

Onboard systems and galley provisioning are engineered for extended cruising and effortless living. The boat's electrical and hotel systems include an isolation transformer on the AC shore connection, a Tecma Silence Plus 2G 24V toilet system, a black water tank of 400 litres with the option of a large grey water storage tank of 800 litres, a camera monitoring and docking system and comprehensive climate control with a Tropical upgrade to chillers, air handlers and chilled water air conditioning. Entertainment is zoned throughout with Samsung UHD televisions in the saloon and master stateroom, additional UHD and HD screens in the forward and guest cabins, a 24 inch HD television with Sonos Amp in the port guest cabin and a 24 inch HD television with Fusion Apollo radio in the crew cabin, supported by Sonance Extreme speakers across the aft cockpit, flybridge and foredeck. Galley and cold storage capability are extensive, featuring Frigoboat G67291 custom integrated refrigeration, a Miele KM6520FR hob, Miele H7240BM microwave, Miele slimline dishwasher G5790 SCVi, a Victrifrigo DCW95 wine cooler and multiple refrigeration units including a stainless steel dual voltage Vitrifrigo DW360 DT, Waeco Coolmatic NRX80 units on cockpit and flybridge, Vitrifrigo stainless steel ice makers, a top loading coolbox with refrigerated plate on the flybridge and several Webasto Isotherm Cruise 36 24V 36 litre drawer refrigerators with

stainless steel fronts under the bow sunbeds and flybridge console.

Deck equipment and exterior detailing follow Sunseeker's exacting standards with stainless steel flybridge stern safety rails, an ensign staff and socket, a Lewmar 50kg Delta galvanised anchor with 60 metres of 12mm chain, 14 inch polished stainless steel mooring cleats on fore and aft decks, twin sets of 12 inch spring cleats on the bulwarks plus an additional pair of 12 inch spring mooring cleats, an AFI duel trumpet horn 11018 XLPD/24V, a 12 volt dinghy inflator and socket, an entertainment inverter and seamless transfer system and a 3kW Mastervolt inverter sized to maintain refrigeration, ice makers and an optional wine cooler. Power management, monitoring and control are integrated via the Sunseeker Cm8 system. Chrome heated towel rails 700x400mm are fitted in the master, forward, starboard and port bathrooms. In the engine room the Sleipner SPS66B stabiliser with Vector Fin VF1050 is joined by a second Cummins Onan QD60Hz 29kW (29MDKDS) generator, a Glendinning Cablemaster power feed, a Separ FPS 210 fuel polishing system, an oil change system for engines, gearboxes and generators and an Idromar water maker rated at 130 litres; thruster capability includes a Hydraulic Sleipner SP320HYD/U 16 bow thruster delivering 23.3hp as well as a Hydraulic Sleipner SH240/250TC U11 stern thruster, and the vessel also lists a Hydraulic Sleipner SP300HYD/U 16 bow thruster among its precise handling equipment with engine room access via the crew cabin.

Additional exterior appointments include stainless steel flybridge stern safety rails, a taller radar chair specified for Sat Domes, a platform overhead shower fitted to the gull wing door, a fresh water marina connection with pressure regulator, a folding stainless steel bathing ladder stowed beneath a GRP lid, a navigation light mast blade finished black and dedicated stowage for the Morton Marine Monte Carlo Parasol. Standard flybridge seating has been arranged to retain a clear aft deck for owners' sunbeds, while owner protection is provided by comprehensive cover sets including a rear camper with windows in Sunbrella Plus, a black mesh windscreen cover, an aft covers

package with optional cockpit seating group covers and dedicated stowage for the foredeck parasol. Whether planning a weekend in the Florida Keys, entertaining in Miami Beach or island hopping through the Bahamas, BAZINGA delivers a considered synthesis of performance, luxury and meticulous specification.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
