OVERVIEW

Embark on the experience of CASA BRI MARE, a Wajer 77 and true 77-footer crafted for owners whose spur-of-the-moment day voyages naturally unfold into indulgent long weekends. Her slender, athletic lines—pure Wajer DNA—invite prolonged time on the water in refined comfort, with signature open-air living that includes an expansive circular lounge, ample sunloungers and a versatile wet bar on deck designed for effortless entertaining. Beneath deck, three tranquil suites offer generous headroom, switchable privacy glass and interiors finished in stone-effect marble and warm timber accents that read as distinctly residential. Powered by triple Volvo Penta IPS with Joystick and Dynamic Positioning, she is exceptionally agile and, thanks to meticulous insulation and a decoupled, floating interior, ranks among the quietest motor yachts in her class, where noise and vibration are reduced to a near whisper throughout.

DETAILED DESCRIPTION

Options

Propelled by the Volvo Penta IPS 1350 D13-1000, the yacht offers intuitive fingertip handling and is equipped with the Volvo Penta Dynamic Positioning System to hold position effortlessly. The exterior is refined with carbon fibre-style trim and high gloss black PVD exterior fittings, while ten semi-automatic inflatable fenders stand ready to streamline every berth. Boarding and water access are made simple by a hydraulic swim platform that converts into a gangway, and onboard comfort is elevated by a gyro stabiliser system that soothes motion both underway and at anchor. Practical exterior refinements include cooling beneath the Permateek decking and a Starlink installation mounted on the hardtop, complemented by a Dockmate remote featuring joystick steering and satellite television for onboard entertainment. The lower salon is designed for exceptional flexibility, incorporating a Pullman, a pull-out sliding wall system for full enclosure, a filler piece and a bespoke layout with loose furniture and additional shelving, with a reconfigured desk that becomes an extra closet in the VIP wardrobe area finished with mirror doors. Entertaining is effortless thanks to an ice maker in the wet bar, and daily convenience is assured by a day head complete with shower and drainages.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
