OVERVIEW

The Long Island 78 Power is a sophisticated cruising catamaran crafted by JFA Yachts with the expertise of designer Marc Lombard. This vessel boasts aluminum hulls paired with composite decks and superstructures, enhancing its efficiency and reducing overall weight. Equipped with dual 500 hp engines, this yacht glides at a comfortable 12 knots, with the capability to accelerate to 18 knots. Its lightweight design allows for smaller engines, optimizing fuel usage and enabling transatlantic journeys. Inside, the yacht offers a well-appointed galley, a spacious salon, a dining area, and a chart table within the central nacelle. The port hull is home to a luxurious owner's suite and a guest cabin, while the starboard hull accommodates three additional guest cabins. The flybridge features an enclosed wheelhouse, complete with a banquette and desk for breathtaking views. Outdoor areas include a forward deck lounge with a sea-water bath, a generous aft cockpit, and a flybridge with seating, dining facilities, and a compact kitchenette. The interior and exterior are styled by Franck Darnet Design, showcasing a harmonious blend of oak and rich wood tones. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that epitomizes luxury and elegance.
