OVERVIEW

Sleek and contemporary, this yacht is designed to draw admiring glances in every harbour she visits. Named G, her bold, high gloss black exterior makes an unmistakable statement, ensuring she never goes unnoticed whether berthed for a day outing or presented as a compact superyacht for a weekend escape.

Beneath that striking skin lies a performance pedigree: a comfortable cruising speed of 35 knots with a top end of 43 knots, delivering breathless passages when desired. The hull is engineered for composure and strength and is fitted with dual large Gyro Stabilizers to provide exceptional steadiness underway and at anchor. Meticulously refreshed in 2022, she benefitted from a full refit including a complete repaint that restored her mirror finish.

Her outdoor layout offers two principal deck zones for entertaining, crowned by a generous aft deck that flows into an expansive hydraulic swim platform with transformer capability — perfect for swimming, launching a tender, or extending the cockpit area into a sun soaked lounge. The interior, the work of Nauta Design, expresses a chic, minimalist aesthetic: a versatile galley, an airy salon and a well appointed helm are wrapped in tinted glazing to create a modern, light filled atmosphere.

Below deck, accommodation is intelligently arranged for five guests, with a full beam master suite forward and a starboard aft cabin appointed with three single berths. Currently lying in St. Tropez, she is available for inspection and presents a rare opportunity to acquire a fast, stylish yacht in her present boat location.
