OVERVIEW

GIO4 is a 2022 RIVA YACHT Corsaro 102 Super, a sleek planing yacht that embodies Riva's unmistakable Italian style with generous volumes, refined detailing, and a close dialogue with the sea. Designed by Officina Italiana Design, she highlights expansive outdoor living and a dramatic 35 sqm aft beach club equipped with a hydraulic swim platform. Accommodation sleeps 10 guests in five ensuite cabins: a full-beam master suite with a chaise longue and a spacious bathroom featuring double washbasins, two symmetrical VIP staterooms, one twin, and one double convertible to a twin with sliding beds. A day head serves the main deck, while three crew cabins accommodate up to five with two heads.

Her custom specification is extensive, including a third helm station, bow and stern thrusters, custom paintwork, premium exterior A/V, a teak sundeck, a hydraulic swim platform, a tender-handling winch, and bespoke water-toy storage. Interiors are adorned with Black Marquina and Calacatta Vagli Oro marble, ambient lighting, and tailored finishes. For exceptional comfort underway and at anchor, GIO4 employs a dual stabilization system pairing two Seakeeper gyroscopic stabilizers with Sleipner Vector Fins, delivering roll reduction in all conditions.

DETAILED DESCRIPTION

Further Information

GIO4 is a 2022 RIVA YACHT Corsaro 102 Super, 78 ft LOA, featuring a fixed third control station with bow and stern thrusters and a Simrad monitor upgrade at the aft control station. The hull, deck and stern, along with the superstructure, are finished in a custom colour paint. External entertainment is enhanced with a premium external A/V and sound package and ambient lighting. Interior finishes include Black Marquina marble for the saloon cabinet and flooring frame, Calacatta Vagli Oro marble in the guest cabins, and Black Marquina marble in the day head, complemented by carpeting in the sofa area. The galley is equipped with a Miele extractor hood. Accommodations comprise a full-beam master suite with chaise longue and a spacious bathroom featuring a double washbasin, sliding beds in the starboard guest cabin, and a longer bed in the port guest cabin; two sliding partition doors separate the saloon from the owner's area. The cockpit lounge area is arranged with two armchairs and a coffee table. Deck equipment and features include a hydraulic swim platform with up/down system, teak decking on the sundeck, a sink integrated into the sundeck cabinet, outdoor sun loungers and chairs, and a dining table for eight on the sundeck. Tender and toy stowage provisions include a custom-made storage cabinet in the garage for water toys and a tender handling winch. Additional technical and comfort items comprise a thermal cover for the superstructure, insulation of the fin stabilizer compartments, and portlights on the fin stabilizer covers.
