ft) she combines Italian craftsmanship with relaxed, easy-to-enjoy cruising and is accessible via a hydraulic gangway. Kept in excellent condition, S.Elmo has logged 830 hours on her main engines. She is fitted with twin Volvo Penta D13C2-B 1050 engines, supported by two generators plus an additional 28 kW second generator added as an upgrade. Underway and at-anchor stabilisers provide a comfortable ride and calm nights at anchor. Her profile is complemented by a beam of 6.6 metres and teak decks throughout. The flybridge includes a wet bar, icemaker, fridge, sink, L-shaped sofa and electric up/down table beneath a sun awning. Accommodations are for up to eight guests in four cabins, with the owner's cabin and VIP below deck. The owner's suite features a custom bed, vanity, sofa and walk-in wardrobe; the VIP and two twin cabins each have ensuite bathrooms. Interior furnishings include pieces from Poliform, Minotti, Maxalto and B&B Italia. Powered by the twin Volvo Penta engines, S.Elmo reaches a maximum speed of 23 knots and has a range of 615 nautical miles at eco speed. Tankage comprises 4,500 litres of fuel and 1,400 litres of fresh water, making her suitable for coastal hops and longer passages. Whether exploring the Italian coast, island hopping in the Adriatic or enjoying a quiet evening at anchor, S.Elmo offers a yachting lifestyle defined by comfort, style and freedom.
