OVERVIEW

Experience a new level of maritime adventure with the V8, where the tranquility of a sailboat meets the versatility of a motor yacht. This yacht for sale offers a unique blend of elegance and innovation, perfect for those looking to buy a yacht in the current boat location.

The visionary design of the V8 presents limitless possibilities on board, featuring adaptable spaces and four helm stations. Two ship's wheels provide the thrill of steering close to the water, enhancing maneuverability. Whether you prefer sailing or motor boating, the choice is yours. The helm station is outfitted with dual Volvo Penta control joysticks, a bow thruster joystick, two expansive 16" GPS screens, and motor controls. For added opulence, the helm and seating can be adorned with leather finishes.

The V8 welcomes you with unparalleled hospitality. Its impressive size, unexpected features, and numerous social areas inspired by sailing will captivate you and your guests. One of the most remarkable areas is the Roof Top, a hidden gem unveiled by a retractable hydraulic ladder. This sea penthouse boasts four sunbeds, an alfresco dining area, and a disappearing helm station.

At the bow, the dinette transforms effortlessly into a sunbed with a sail canopy, while the C-shaped sofa conceals a plunge pool for a refreshing dip. The main deck's living area features glass walls that partially open, enhancing the view and minimizing air conditioning use. The interior walls are coated with a dark LCD film, converting the space into a home cinema with a projector.

The V8 is powered by two robust Volvo Penta IPS 1350 engines, delivering a combined 2000 HP. It achieves a top speed of 24 knots and cruises comfortably at 19 knots. With a 4150-liter fuel capacity, it offers a range of 400 nautical miles. Technical elements like the 11 ft tender and ditching crane are discreetly stored with remote hydraulic access.

Below deck, the V8 continues to impress with customizable, spacious interiors designed to delight. The sophisticated decor features design furniture, a soft palette of white, nabuk, and brass, and luxurious materials, all inspired by the minimalist elegance of sailing yachts. The first unit includes four cabins, each with an ensuite bathroom: a VIP cabin at the bow, a master cabin at the stern, a guest cabin with two single beds and a folding bed, and a crew cabin.

Explore yacht sales in the current boat location and seize the opportunity to own this extraordinary vessel.
