OVERVIEW

Nayla is an exquisite 24.6-meter yacht from the esteemed Monte Carlo 80 series, crafted in 2018 with an elegant interior designed by Nuvolari Lenard. This stunning vessel offers a harmonious fusion of indoor and outdoor living. The aft deck, sheltered by the flybridge above, features a delightful alfresco dining area that seamlessly extends from the main deck salon. A sliding, foldable glass door allows the salon to effortlessly connect with the exterior. Inside, the 35-square-meter main deck can be reconfigured to accommodate various living arrangements.

The layout of the Nayla yacht includes a spacious living and dining area that flows into a well-equipped pantry, while the main galley is conveniently situated on the intermediate level. Sliding doors and panels provide the option to separate guest and service areas, ensuring privacy for all. The main helm station, featuring a thoughtfully designed dashboard, guarantees exceptional comfort and visibility.

Nayla comfortably hosts 9 guests across 4 luxurious staterooms, along with a dedicated crew of up to 3. Each stateroom is adorned with high-end materials, including natural stones and hand-stitched leather. The two guest cabins, one equipped with a pullman bed, offer twin beds that can convert into doubles, each with ensuite facilities. The VIP cabin, located at the bow, features an island bed, side wardrobes, and a private ensuite head. The full-beam owner stateroom, centrally located, provides breathtaking views, a walk-in wardrobe, and an opulent master head.

The yacht's flybridge presents an impressive 41.5 square meters of outdoor living space, sheltered by a carbon fiber hardtop with an opening sunroof. This area includes a lounge, dining space, and an open-air galley. The bow lounge, featuring semicircular adjustable tables and seating, can easily transform into a private dining area or a sunbathing retreat.

Powered by twin MAN V12 1650 Hp engines, Nayla can achieve a remarkable top speed of 31 knots.
