DETAILED DESCRIPTION

Sporty elegance & powerful performance

The Princess S78 stands as the flagship of the Princess S-Class range, uniting the generous space and sociable versatility of a flybridge with the sleek profile and exhilarating poise of a yacht open to the elements. Driven by twin MAN V12-1900 hp engines, she surges to an impressive 37 knots and settles into an effortless 25-knot cruise, delivering a rare balance of comfort, stability, and attractive fuel efficiency. From her expansive sportfly with a helm station, sunbathing areas, and a wet bar to the open plan main deck framed by panoramic windows, every line and volume is sculpted to connect you with the sea in unmistakable Princess style.

Below, four spacious cabins welcome up to eight guests in complete privacy: a full beam master suite, a forward VIP cabin, and two twin cabins with convertible options, each with its own en suite bathroom. Fully equipped crew quarters for two ensure discreet service. On the main deck, a large aft cockpit flows seamlessly into the saloon through sliding glass doors, while a beautifully appointed, fully equipped galley with premium appliances is perfectly positioned for both indoor and outdoor entertaining.

Presented in impeccable condition and maintained like new since delivery, this S78 is comprehensively specified for confident cruising. A Seakeeper 16 gyroscopic stabiliser refines comfort both at anchor and underway, while hydraulic bow and stern thrusters make close quarters maneuvering effortless. Extended autonomy comes courtesy of a watermaker and two ONAN generators—27 kW and 22.5 kW—ensuring uninterrupted power, complemented by reverse cycle air conditioning throughout. A Williams Sportjet 435 tender is included, and the electro hydraulic bathing platform is ideal for launching the tender and embracing water activities. Evening

ambience is elevated by underwater lights, and every cabin benefits from a premium entertainment system with LED TVs.

Available for immediate inspection, with an online video tour ready on request, this Princess S78 blends speed, space, and style into a rare opportunity on today's market. Contact us today for a complete photo gallery, a detailed video walkthrough, and the full specification list.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
