OVERVIEW

The Never Give Up is a luminous testament to refined workmanship and inspired design, a Motor Yacht conceived and completed by Azimut Yachts in 2021. Measuring a commanding 24.6 meters (80 feet 9 inches), she embodies a seamless marriage of indulgence and versatility, proudly carrying the Azimut S8 designation—a model that marks a notable evolution in both style and seafaring capability.

Crafted and launched by the storied Azimut Yachts Corporation, the celebrated Italian builder known for more than fifty years of devotion to quality, innovation, and aesthetic distinction, this yacht bears the unmistakable imprint of its maker's expertise. Every line and join reflect Azimut's technological know-how and meticulous attention to detail, qualities that elevate the Never Give Up beyond mere transport to a floating work of art.

A highlight of Azimut's Sport range, the S8 family expresses a new language of marine design. At first sight her aerodynamic profile, bold exterior contours, and a slim, performance-oriented hull captivate the eye—each element intelligently shaped to optimize speed and hydrodynamic efficiency while conveying a sporty yet elegant presence that stands apart in any harbor.

On deck the Never Give Up unfolds like a private seaside retreat. Generous outdoor areas are arranged for sun-drenched relaxation, al fresco dining, and effortless entertaining: a spacious sundeck furnished with premium outdoor lounge pieces and a sophisticated cockpit create inviting zones for social life and repose against an ever-changing ocean backdrop. These exterior spaces balance conviviality with comfort, designed to be lived in as much as admired.

The interior continues the narrative of cosmopolitan refinement. Light-filled living spaces, haute finishes, and thoughtfully selected materials combine to produce an ambiance of understated luxury. Contemporary fittings and modern comforts are woven throughout, from sumptuous upholstery to

advanced entertainment systems, all calibrated to meet the expectations of discerning guests.

Accommodation is crafted for intimacy and privacy, hosting up to eight guests across four ensuite cabins. The master suite is a study in discreet opulence—roomy, richly appointed with fine textiles and comprehensive AV amenities—while the guest cabins mirror that same five-star standard. A dedicated crew area ensures onboard staff have the space and facilities required to deliver seamless service.

Beneath her graceful lines lies formidable engineering: triple Volvo IPS propulsion units power the yacht, providing lively responsiveness to the helm and notable fuel efficiency. This advanced propulsion arrangement delivers a smooth, quiet passage even at higher speeds, markedly reducing noise and vibration and enhancing comfort underway. Complementing her drive systems, state-of-the-art navigation equipment affords safety and ease of handling in varied conditions, marrying high performance with assured seafaring confidence.

In sum, the Never Give Up is an elegant embodiment of Italian design and marine innovation—combining spirited performance with sumptuous living spaces for leisurely family cruises or exhilarating ocean excursions. For those exploring yacht sales in the current boat location, this yacht for sale represents an exceptional opportunity to acquire a vessel designed to deliver lasting memories on the water.

DETAILED DESCRIPTION

Overview

NEVER GIVE UP is a luxurious 24m Azimut S8 propelled by triple Volvo Penta IPS engines and crafted in advanced carbon fiber, a construction that reduces weight and optimizes fuel efficiency while preserving structural strength. Outfitted with a Seakeeper 18 gyro stabilizer for exceptionally smooth, comfortable cruising, she is arranged to host up to 10 guests across 4 spacious staterooms including a full-beam owner's suite, while generous seating accommodates up to 16 passengers for larger gatherings. Expansive outdoor living unfolds across a large flybridge and a generous swim platform with tender garage, and an upgraded air conditioning system maintains a perfect onboard climate. With a cruising range of 260 nm and a top speed of 34 knots, NEVER GIVE UP blends high performance, refined luxury, and adventurous capability, and as RINA Class certified and commercially compliant she is ready for private escapes or revenue-ready charter; an existing leasing plan is available to lower the initial acquisition cost, making ownership as enticing as life underway.
