## OVERVIEW

---

A study in poise and power, this 2017 United States–based 80-foot luxury motor yacht fuses modern refinement with genuine offshore ability. With an imposing silhouette and proportions that read as effortlessly balanced, she transforms every passage into a genteel retreat, where comfort and capability proceed in quiet harmony.

Her LOA of 80 ft and broad 20 ft beam translate directly into generous, well-proportioned living and circulation spaces: expansive social zones, wide walkaround decks, and roomy cockpit areas designed for sunlit lounging and graceful al fresco dining. An approximate 18.6 ft draft reinforces a bluewater disposition, speaking to a hull form and weight distribution engineered for confident handling when the sea demands steadiness. Both hull and decks are fashioned from durable fiberglass composite, delivering a solid, hushed ride underway and the kind of low-maintenance construction that supports ownership enjoyment over years of coastal cruising or longer passages.

Propulsive assurance comes from twin MAN inboard diesel engines, a pairing known for smooth power delivery, dependable long-range performance, and the torque that seasoned owners rely on in an inboard diesel platform. This powertrain provides reassuring acceleration, efficient cruising capability, and the kind of trustworthy operation that allows owners to venture from weekend escapes to extended horizons with confidence.

On deck, the yacht encourages a seamless indoor-outdoor lifestyle: broad lounging areas for daylight hours, open-air dining spaces that feel natural and inviting, and side decks wide enough to promote safe, unobstructed movement at sea. Inside, the generous beam produces airy, naturally lit salons and saloons with sightlines that celebrate the surrounding water, complemented by refined finishes and a contemporary sensibility that is elevated without excess. Every detail is purposeful luxury—measured, elegant,

and enduring.

For discerning buyers seeking a premium platform that unites presence with performance, craftsmanship with comfort, and the ease of a dayboat with true passage-making confidence, this 2017 80-foot yacht stands as a compelling offering. Based in the United States and well suited to enthusiasts of Motor Yachts, Luxury Cruisers, Bluewater Cruisers, and Twin Diesel vessels, she represents a refined, modern, ready-to-go opportunity for those searching for an 80 ft yacht.

# DETAILED DESCRIPTION

---

## Main description

---

LUCKY 7 is a remarkably clean 2017 Azimut 80 that truly shines in person, presenting an exceptional opportunity for a serious buyer seeking a large, late model Azimut. New to the brokerage market and offered by a motivated, seasoned yacht owner, she arrives turnkey and travel ready, maintained by a full time, experienced captain and crew. Powered by upgraded and dependable 1800HP MAN diesel engines with low hours, LUCKY 7 has just completed a comprehensive shipyard period at Rolly Marine in Fort Lauderdale, FL that included fresh bottom paint, PropSpeed applied to all running gear, thorough service work, and targeted attention to the bow thruster, swim platform, and zincs. Thoughtfully arranged interiors provide four staterooms with en suite heads and a day head to port, plus separate crew quarters aft, and throughout the yacht has been fully modernized, highly upgraded, and meticulously cared for. LUCKY 7 is precisely the right yacht for owners who want a clean, ready to go eighty foot Azimut, and all offers are encouraged with trades strongly considered; contact the listing broker for further information and to schedule your private showing today. Highlights and recent upgrades include upgraded 1800HP MANs with low hours, twin generators with low hours, a recent shipyard period in 10/2025 that delivered new bottom paint and PropSpeed on all running gear plus focused service to the bow thruster, swim platform, and zincs, installation of a Sonihull anti fouling unit in 10/2025 at Rolly Marine, replacement of hydraulic hoses in 10/2025, new trim tab cylinders and hydraulic power system in 10/2025, new PSS shaft seals in 10/2025 at Rolly Marine, new hoses and Y valves installed at Rolly Marine in 10/2025, air conditioning services including replacement of thirteen air handlers in 6/2025, a new anchor windlass in 4/2025, new bilge

pumps in 5/2025, a new Naviop system, new flybridge curtains and black window covers in 6/2024, new water and dryers in 10/2025, new TVs and a sound system in 2025, and an active full time captain and crew program that keeps her impeccably turn key.

## **Mechanical disclaimer**

---

Engine and generator hours are stated as of the date of the original listing and reflect information provided to the listing broker by the owner and/or direct readings from the engine hour meters, and the broker does not guarantee the accuracy of the hours. It is the sole responsibility of the purchaser and/or the purchaser's agent to verify engine hours, warranties—express or implied—major overhauls, and all other representations noted in the listing brochure.
