OVERVIEW

Discover the Timeless Elegance of the 1988 Yacht

Step aboard this exquisite 1988 yacht, a true masterpiece of nautical engineering and design, currently located in the United States. With a commanding length of 80 feet and a generous beam of 18 feet, this yacht offers an unparalleled blend of luxury, performance, and comfort, making it an exceptional opportunity for those looking to buy a yacht.

Crafted with a robust aluminum hull and deck, this vessel promises durability and strength, ensuring a smooth and stable journey across the waves.

Powered by twin MTU inboard diesel engines, this yacht effortlessly cruises at 19 knots, with the capability to reach a thrilling maximum speed of 22 knots. Whether you're embarking on a leisurely coastal cruise or an adventurous offshore voyage, this yacht delivers a performance that is both exhilarating and reliable.

Inside, the yacht's spacious and elegantly appointed interior is designed to cater to your every need. With five luxurious heads, you and your guests will enjoy the utmost privacy and convenience. The expansive living areas are perfect for entertaining, offering a sophisticated ambiance that is both inviting and comfortable. Although the interior designer remains unnamed, the timeless elegance and attention to detail are evident throughout.

For those who appreciate the finer things in life, this yacht's impressive water capacity of 800 gallons and a fuel capacity of 3000 gallons ensure extended voyages with ease and peace of mind. Whether you're hosting a lavish gathering or seeking a serene escape, this yacht provides the perfect setting for unforgettable experiences on the water.

This yacht is not just a vessel; it's a statement of luxury and style. As a yacht for sale, it represents a unique opportunity to own a piece of maritime history, combining classic design with modern amenities. Don't miss the chance to
