## OVERVIEW

---

This Hatteras 80 is an exquisite open flybridge yacht, designed without a lower helm station. It embodies the essence of a luxurious Eurostyle motoryacht, featuring four elegant staterooms, each with its own ensuite bathroom, and boasts an impressive beam of 21' 3". The Hatteras 80 is built on a low-deadrise hull equipped with propeller tunnels, enhancing thrust while minimizing drag for an exceptional cruising experience. The spacious main salon is adorned with hardwood flooring and indirect lighting, complemented by a formal dining area located at the front, along with a convenient day head on the starboard side.

At the forefront, you'll find a generous country-style galley, complete with granite countertops and a sizable dinette that offers ample seating, along with deck doors on both the port and starboard sides for easy access.

Below deck, the full-beam master stateroom features a king-sized bed, a walk-in wardrobe, and vertical hullside windows that provide natural light. The crew quarters are situated at the aft, consisting of two staterooms, each furnished with two single berths. Access to the engine room is conveniently located through the crew quarters, either from the aft swim platform or the aft deck. The aft deck itself is designed for relaxation, featuring a full overhang, a teak table, and a molded-in lounge area. An engine control station is positioned on the starboard side, along with a wet bar that includes a sink and refrigerator.

Powered by robust Cat C-30 engines (1550 hp), this yacht can cruise at an impressive 20 knots. The vessel has undergone numerous upgrades in 2022, including all new appliances, a new hot top on the bridge, and enhanced electronics. This yacht for sale is a remarkable opportunity for those looking to buy a yacht in the current boat location, making it a standout choice in the yacht sales market.
