## OVERVIEW

---

TOP SHELF presents as an exceptionally low hour, meticulously maintained 80' Hatteras enclosed bridge convertible sportfish, thoughtfully arranged with four staterooms for owner and guests. The interior is richly appointed with warm cherry cabinetry, and this luxury motor yacht is superbly fitted throughout. The enclosed bridge/sky lounge forms a climate controlled entertainment salon and an extraordinarily comfortable helm, providing a quiet, assured command center for bluewater cruising and tournament sportfishing.

## DETAILED DESCRIPTION

---

### Main salon

---

Warm cherry wood joinery sets an elegant tone throughout the main salon, where a custom light gray leather sofa with ottoman anchors the port side and conceals discreet storage behind. Opposite to starboard, an upholstered chair sits alongside a built-in four-door cherry cabinet and an LG 50" LED TV that rises smoothly on a lift for theater-style viewing. Architectural interest comes from two burl wood columns with radius-door cabinetry below, while overhead lighted, mirrored valances and salon windows to port and starboard, complete with shades and valances, bathe the room in a soft, flattering glow. Forward, a custom wood dining table is surrounded by eight wood and leather upholstered dining chairs, served by port and starboard four-door buffet cabinets with granite tops and beautifully crafted built-in glass and china storage with backlit beveled glass door fronts. A compact Scottman refrigerator is seamlessly integrated for effortless service. Underfoot, a classic teak and holly sole runs unbroken through the salon and dining area, accompanied by five overhead Boston Acoustics stereo speakers for immersive sound, and a forward starboard two-door wine cabinet poised for entertaining.

### Day head/powder room

---

Thoughtfully placed on the main deck, the day head presents a refined vanity with a granite top, an elegant sink and mirror ensemble, and a crisp, modern toilet—an impeccably finished retreat for guests between courses and conversations.

## Galley

---

The U shaped galley is designed for professional grade culinary flow, crowned by a black granite countertop and anchored by a Sub Zero stainless side by side refrigerator/freezer. A Frigidaire five burner glass cooktop pairs with a Sharp Carousel microwave/convection oven and a full Whirlpool oven, while a double stainless steel sink with InSinkErator disposal makes prep effortless. Cleanup is whisper quiet courtesy of the Whirlpool Quiet Partner 1 dishwasher, and waste disappears neatly into a Whirlpool trash compactor. Forward, a semi circular vinyl upholstered settee embraces a semi circular granite topped table opposite a Samsung 32' TV, creating an inviting breakfast nook. Practicality shines with a pantry forward to starboard and a forward starboard two door storage cabinet, plus access beneath the forward settee to the Glendinning cable reel and storage. Twin Boston Acoustics stereo speakers, port and starboard doors to the side decks, and two forward windows with adjustable shades provide light, sound, and easy movement, while spiral stairs link directly to the bridge deck. A timeless teak and holly sole ties the entire space together.

## Master stateroom

---

The full beam master stateroom is a sanctuary centered on a king bed with a wood and upholstered headboard and generous storage beneath, dressed with custom spreads and pillows. Nightstands—two three drawer units—flank the bed, complemented by twin twelve drawer dressers to starboard and port and three cedar lined closets, including a Gardell safe discreetly set within the port forward locker. Three large oval portlights to port and starboard, each with shades and valances, illuminate a space enriched by a mirrored overhead, five Boston Acoustics overhead speakers, a Samsung 42' LED Smart TV, and a two door storage cabinet below the screen. Starboard and aft lies the private

master bath.

In the en suite, a double sink vanity with granite tops pairs with stainless steel fixtures, mirrored walls, and two medicine cabinets over the vanity. A marble shower with a bench seat, stainless steel hardware, and a glass door invites long, luxurious rinses, while a modern toilet and marble flooring complete this spa like retreat.

## Guest stateroom, port

---

This serene port guest stateroom centers on a queen bed with an upholstered headboard set against a mirrored bulkhead, flanked by two three drawer nightstands. To port, a dresser with four drawers and four cabinet doors expands storage, complemented by a cedar lined hanging locker.

Entertainment is effortless with a Samsung 42' LED Smart TV and two Boston Acoustics overhead speakers.

The en suite bath continues the theme of refined finishes with a granite topped vanity and sink, stainless steel fixtures, a mirrored wall with a medicine cabinet above the vanity, plus a shower, toilet, and marble flooring.

## Guest stateroom, starboard

---

To starboard, the guest stateroom offers a queen bed with an upholstered headboard, a forward four drawer dresser, and a cedar lined hanging locker for wrinkle free attire. A Samsung 42' LED Smart TV and two Boston Acoustics overhead speakers complete the private media suite.

Its en suite bath

features a granite topped vanity and sink, stainless steel fixtures, a mirrored wall with a medicine cabinet over the vanity, and the convenience of both shower and toilet, laid over elegant marble flooring.

## VIP stateroom

---

Forward, the VIP welcomes with a queen bed dressed in a custom comforter and pillows, with drawers tucked beneath for smart storage. An upholstered headboard plays against a mirrored bulkhead, while four door cabinets to port and starboard and a cedar lined hanging locker maintain impeccable order. A Samsung 42' LED/Smart TV and two Boston Acoustics overhead speakers set the mood, and an overhead hatch forward brings in sea breeze and starlight.

The en suite head offers a granite topped vanity and sink, stainless steel fixtures, a mirrored wall with a medicine cabinet over the vanity, plus a shower, toilet, and marble flooring—everything your guests expect in a private retreat.

## Lower companionway

---

At the foot of the stairs, practicality meets polish with Miele T washer/dryers and a storage closet that cleverly houses a Scotsman compact refrigerator—ensuring fresh linens and chilled refreshments are always within easy reach.

## Aft deck

---

The aft deck is tailored for alfresco living, featuring an aft bench with white vinyl upholstery and a teak table accompanied by three Royal Teak folding chairs. Entertaining is effortless with an aft deck flip down TV and a stainless and glass sliding door leading to the main salon. Teak stairs to port ascend to the flybridge, while teak steps port and starboard descend to the swim platform, subtly lit by courtesy lights. Twin Maxwell 2200 windlasses to port and starboard stand ready, joined by two overhead Pioneer speakers,

four overhead lights, and a removable three sided sunshade that transforms the space from sunlit lounge to shaded retreat in moments.

## Swim platform

---

The swim platform is yacht ready with an upper teak sole, five stainless rails across the aft section, and a six step swim ladder for effortless reboarding. Fresh water washdown and a fresh water shower await after a dip, while four underwater lights set the scene for magical evenings at anchor.

## Aft bridge deck

---

On the aft bridge deck, U shaped wraparound seating in light blue and grey vinyl invites conversation, complemented by two Royal Teak folding chairs and a portside bar with two upholstered barstools. Two circular teak tables sit on high low stainless bases over a teak sole, while three sail cloth overhead awnings with stainless posts stretch above to deliver adjustable shade.

Commanding views meet confident control at port and starboard wing stations with bow and stern thruster controls. Culinary moments come courtesy of two electric Gaggenau grills in a starboard cabinet, with a Nautical Structures Euro 2200 lb davit ready for tender operations, a four step ladder to the bridge top, and stairs down to the aft deck secured by a hinged door.

Fresh water washdown, a Viking twelve person life raft, and a custom storage box on the bridge top complete this versatile, all weather entertaining terrace.

## Foredeck

---

The foredeck is expedition ready with Marquipt seven step boarding stairs, a four step boarding ladder, and two 100 amp shorepower cables. Fresh and salt water washdown are on tap, supporting a Maxwell anchor windlass and

Danforth anchor, while blue and white bow cushions invite sunbathing. Signature touches include two trumpet ship's horns, two ACR searchlights, stainless steel bow rails, a hatch to the bow stateroom, a stainless flagstaff, and teak laid on the foredeck and side decks.

## Enclosed bridge equipment

---

Within the enclosed bridge, two Stidd helm chairs in blue upholstery face a command zone flanked by a semi circular port settee with a matching semi circular granite topped table and an L shaped blue upholstered settee to starboard. A U shaped aft bar with a granite top integrates a stainless steel sink, U Line refrigerator, and Whirlpool Gold icemaker, supported by a starboard two door wood storage cabinet. A retractable bar window opens to the aft upper deck for effortless service, while four Boston Acoustics stereo speakers enrich the soundscape. A sliding glass door leads to the upper aft deck, and the stainless steel ship's wheel stands as a timeless helm centerpiece.

## Electronics & navigational equipment, flybridge

---

The helm array is comprehensive, featuring three 17" navigation screens driven by a TimeZero chartplotter/GPS via a Furuno TZZBB Black Box, paired with a Furuno DRS 12AX radar new as of 10/23. Ship's engine displays sit in clear view alongside a Furuno Class B AIS and an Interphase forward looking sonar. Communications are handled by an Icom IC M604 VHF radio, while guidance comes from a Simrad AP25 autopilot and Simrad IS15 depth finder. Two ACR searchlights, bow and stern thruster controls, a 6" Ritchie compass, and a Starlink Maritime dish complete this capable, modern navigation suite.

## Crew quarters

---

The crew quarters provide smart, efficient comfort with twin bunks and a Pullman upper, a nightstand with a focused reading light, and a cedar lined closet to keep uniforms crisp. Entertainment and downtime are supported by an LG 27" flat screen TV, carpeted sole underfoot, and two Boston Acoustics stereo speakers.

Crew head: A stand up shower, vanity sink with Corian top, mirrored medicine cabinet, toilet, and a classic teak and holly sole deliver the amenities crew appreciate on long passages.

## Captain's quarters

---

The captain's quarters deliver privacy and practicality with a comfortable double berth, a storage locker with three drawers, and a nightstand for personal effects. A Samsung 27" flat screen TV and two Boston Acoustics stereo speakers create a restful off watch retreat.

## Crew area companionway

---

The crew companionway is outfitted for serious voyaging with a Bosch upright refrigerator/freezer and a Frigidaire upright freezer, all set over a teak and holly sole. Movement and service are streamlined with an aft transom door to the swim platform, a forward door to the engine room, and forward port stairs leading up to the aft deck.

## Engine room & mechanical equipment

---

Power comes from twin Caterpillar C 32 Acerts rated at 1800 hp, showing Port: 2158 hrs / Starboard: 2166 hrs, supported by two Cruisair A/C chillers delivering 144,000 BTU and a Cruisair A/C circulating pump.

Variable frequency finesse is provided by a Lenze Variable Frequency Drive and a Telemecanique Variable Frequency Drive, with raw water circulation handled by two Scotpump A/C raw water pumps. A California Air Tools air compressor stands ready, while an Aquawisper 1,200 GPD watermaker ensures independence offshore. Housekeeping systems include Nutune central vacuums, and ride comfort is assured by TRAC stabilizers, an American Bow Thruster, and an American Stern Thruster. On deck, a Maxwell anchor windlass takes charge, and hydraulic Rexroth power take offs on both main engines drive auxiliary systems. Safety is paramount with an FM 200 engine room fire suppression system.

## Accommodations

---

TOP SHELF is an exceptionally low hour, meticulously maintained enclosed bridge 80' Hatteras offering four staterooms for owners and guests. Cherry wood joinery graces the entire yacht, and the enclosed bridge adds an air conditioned lounge for entertaining and a supremely comfortable helm for extended passages. The aft bridge deck is a versatile outdoor salon with a pass through window to the enclosed bar, built in grill, and U shaped upholstered seating with cocktail tables. Overhead sail cloth awnings on stainless tension posts provide adaptable shade or can be removed to reveal sun and night sky at the owner's discretion. The bridge deck is a true all weather venue with features typically reserved for much larger yachts.

Boarding aft via Marquipt seven step boarding stairs, you arrive on the aft deck set up for alfresco dining with a large teak table, a built in settee, and custom chairs. The aft deck features a teak sole with stairs down to the swim platform and up to the bridge deck and a custom curved glass and stainless entry door to the main salon. Step inside and it's immediately clear you're aboard one of the finest 80' Hatteras motor yachts ever built: custom

cherry joinery with a detailed overhead wood design pairs with a teak and holly sole, an entertainment center with a 50" HD TV on a lift to starboard, and a custom upholstered sofa to port. Forward in the salon, a formal dining table seats eight guests, against custom built in china cabinetry on the forward bulkhead, with port and starboard buffets topped in marble and a custom wood soffit with lighting above.

Forward of the formal dining, the fully equipped galley boasts a stainless Sub Zero refrigerator/freezer, granite countertops, and a center island. A forward dinette with L shaped upholstered seating and three sitting stools comfortably hosts six to eight guests. The galley area includes stairs up to the flybridge, a port pocket door to the foredeck, and large forward windows that flood the space with light and views. Below, TOP SHELF accommodates eight guests in four staterooms: a full beam king master with double vanity bath, two VIP queen staterooms, and a double stateroom, each with full entertainment centers and private baths. Designer comforters, pillows, and shams elevate every suite. Two full crew staterooms support up to four crew.

Powered by Caterpillar C32 engines at 1850 HP and just over 2,000 original hours, TOP SHELF cruises comfortably at 20 knots and reaches 24 knots at maximum. Additional equipment includes Onan 27.5 kW generators, a 1200 GPD watermaker, stabilizers with Trac display, bow and stern thrusters, underwater lights, and a comprehensive electronics suite. A complete bottom service including new bottom paint and underwater gear service was performed 6/25.

## Electrical equipment

---

Ship's power is robust and redundant with two Onan 27.5 kW generators showing Port: 4730 hrs / Starboard: 4198 hrs, backed by four engine/gen start batteries and a Mastervolt battery charger. Shorepower comes aboard via two

100 amp shore power cords on Glendinning cable reels for effortless deployment and retrieval.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
