OVERVIEW

Horizon FD80-617

The Horizon FD80-617 is a masterpiece of modern yacht design, offering a blend of sleek aesthetics and adaptable spaces. This yacht for sale, located in the current boat location, is a smaller sibling to the acclaimed FD90 motor yacht. It boasts expansive interiors, highlighted by floor-to-ceiling glass panels that flood the salon, dining area, and on-deck master suite with natural light and breathtaking vistas. Below deck, three more staterooms, including two VIP suites, maintain the theme of openness, while a window in the garage brings sunlight into the beach club. The innovative Split-Use Skylounge provides outdoor areas that compete with those on larger yachts. Side wing stations enhance docking visibility, and the bridge deck aft is roomy enough for a 16ft tender. This cutting-edge motor yacht, with the luxury of a megayacht, is perfect for those looking to buy a yacht that offers both style and functionality. Explore yacht sales in the current boat location and discover the ultimate vessel for owner-operators.
