OVERVIEW

JusMad is a stunning example of modern yacht design, crafted by the talented Ed Monk Jr. This remarkable vessel received a full interior makeover in 2018, courtesy of the esteemed Shelley's Interiors from Fort Lauderdale, creating an opulent ambiance throughout. Powered by robust twin 1,500 HP MTU engines, JusMad is ready for any adventure, offering the freedom to explore wherever your heart leads. The yacht features a well-planned layout with three staterooms and additional crew quarters, making it an ideal choice for family getaways or intimate retreats.

The spacious Sky Lounge and "Ledo" deck offer a tranquil haven for guests, along with ample space for sunbathing, a luxury often reserved for much larger yachts. Discover the potential of yacht sales at the current boat location and seize the chance to own a yacht that epitomizes sophistication and comfort. Whether you seek a cruising yacht or a chic escape, JusMad stands out as an extraordinary choice in the realm of yachts for sale.

DETAILED DESCRIPTION

Jusmad Specifications

The Jusmad is an exquisite motor yacht that perfectly marries opulence with performance. Stretching 80 feet in length and 21 feet in width, this vessel provides generous space for both relaxation and entertainment. With a draft of 5 feet 6 inches, it is well-suited for a variety of cruising environments. Originally built in 2005 and extensively refitted in 2022, the Jusmad blends timeless design with contemporary comforts. Registered under the USA flag, it boasts a gross tonnage of 115 GT and a displacement of 165,300 lbs. Its planing hull design ensures a smooth and efficient voyage.

Crafted by the esteemed Ocean Alexander and designed by the renowned Ed Monk Yacht Design, the Jusmad showcases both exterior and interior styling by Destin Darr. The hull is made from robust fiberglass, while the deck is elegantly finished with Seadeck Teak Decking.

The yacht comfortably accommodates up to six guests across three lavish cabins, including a VIP suite with a queen bed, a port guest cabin with two twin beds, and an owner's cabin with a king bed. There is also dedicated space for two crew members, ensuring exceptional service and comfort.

In terms of performance, the Jusmad is powered by twin MTU 12V2000M91 engines, each producing 1,500 horsepower. This configuration allows the yacht to achieve a top speed of 22 knots, with a cruising speed of 18-19 knots and an economical speed of 12 knots. It boasts an impressive range of 825 nautical miles, supported by a fuel capacity of 2,250 gallons. The water and black water tanks hold 421 gallons and 218 gallons, respectively.

The Jusmad is outfitted with state-of-the-art machinery, including Northern Lights generators, a Keypower hydraulic bow thruster, and a chilled water air conditioning system. The propulsion system features traditional straight shafts

and ZF gearboxes, enhanced by Keypower Fun Active Stabilizers for a smooth journey.

Communication and navigation are managed by a suite of advanced equipment, including Icom VHF radios, Furuno radar, and Garmin GPS. The pilothouse is equipped with a Panasonic intercom system, ensuring seamless communication throughout the yacht.

Entertainment is plentiful with a DirectTV VSAT system, while the galley is equipped with premium appliances from Fisher Paykel and Sub Zero, among others. Laundry needs are catered to with two GE washing machines and dryers.

Safety and security are top priorities on the Jusmad, with a comprehensive range of equipment including CCTV cameras, fire extinguishers in every cabin, and a Seafire fire suppression system for the engine room. The yacht is also equipped with life rafts, PFDs, and a variety of navigation and safety electronics.

The 2022 refit introduced numerous enhancements, including new galley appliances, granite countertops, and flooring, as well as new AC compressors and air handlers. The yacht also features new carpeting, soft goods, and upholstery, along with new Seadeck Teak Decking on the exterior. Additional improvements include new washer and dryer units, cordless remotes, and electric blinds in the salon and master cabin.

In conclusion, the Jusmad is a meticulously maintained motor yacht that offers an ideal combination of luxury, performance, and safety. It is a perfect choice for those seeking a refined and comfortable cruising experience. While the details provided are accurate to the best of our knowledge, potential buyers are encouraged to verify all information through their agents or surveyors. The yacht is available for sale, subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
