## OVERVIEW

---

VICTORY is an exquisite 80-foot Hatteras yacht, meticulously enhanced and maintained by experienced owners since its inception. This luxurious vessel, currently available for yacht sale, boasts a four-stateroom configuration, including a full-beam master suite with separate his and her bathrooms. The open flybridge, equipped with a custom hardtop and a full EZ2CY enclosure, offers versatility for all weather conditions. Enjoy the air-conditioned comfort while cruising or hosting guests on hot days. The flybridge is a haven of luxury, featuring a built-in hot tub, custom sunpad lounges, a full wet bar, a propane BBQ grill, and an LED flat-screen TV. The aft bridge deck provides an open space with newly upholstered seating (2023) and a removable sailcloth awning for shade or stargazing. This area is perfect for entertaining, with amenities typically found on larger yachts.

Upon boarding via the new 8-step Marquipt ladder, you'll find the aft deck, ideal for alfresco dining with a large teak table, built-in settee, and custom chairs. The deck features a solid teak floor, stairs leading to the swim platform and bridge deck, and an automatic curved glass and stainless entry door to the main salon.

Inside the main salon, you'll be captivated by the high-gloss cherry wood joinery and intricate overhead design. The entertainment center includes a 50" HD TV on a lift, and a custom upholstered sofa. The formal dining area seats six, with custom china cabinets and marble-topped buffet cabinets. The flooring, headliners, and most furniture were updated in 2022.

The fully equipped galley features a stainless Sub-zero refrigerator/freezer, granite countertops, and a center island. An L-shaped dinette with seating for 6-8 guests, stairs to the flybridge, and large windows offering ample light and views complete the space.

VICTORY accommodates eight guests in four staterooms: a full-beam king

master suite with his and her baths, two VIP queen staterooms, and a twin stateroom, all with entertainment centers and private baths. Each room is elegantly appointed with designer comforters and pillows.

Powered by Caterpillar C32 engines with 1650HP, VICTORY cruises at 19 knots, reaching a maximum speed of 23 knots. Additional features include Onan 27.5 KW Generators, 1400 GPD watermakers, stabilizers with Trac display, bow and stern thrusters, underwater lights, and a comprehensive electronics suite.

For those looking to buy a yacht in the 75' to 100' motor yacht category, VICTORY is a must-see in the current boat location.
