OVERVIEW

This exquisite 2007 80 Hatteras Motor Yacht stands as a premier choice among luxury yachts for sale. Meticulously cared for, she features separate crew accommodations and four lavish guest staterooms, each with private en-suite bathrooms. The full-beam master suite is particularly impressive, offering distinct "his and her" heads for added privacy and comfort.

The yacht's interior is adorned with a breathtaking high-gloss cherry finish, complemented by a charming country-style kitchen, an enclosed pilothouse, and a conveniently located day head near the main salon, enhancing both functionality and elegance.

Powered by twin Caterpillar C32 engines (1850 HP) with a mere 1780 hours of use, this 80 Hatteras Enclosed Bridge also includes twin generators and Trac fin stabilization for a smooth ride. The engines have undergone a factory overhaul, with only 500 hours logged since.

Enclosed Pilothouse

Twin CAT C32 engines with low hours (1781/1793)
