DETAILED DESCRIPTION

Princess S78

Named Cocoon, built by PRINCESS in 2022, this model is an 80 ft 11 in (approximately 81 ft) sport yacht offering the open-air versatility of a sport yacht with the accommodations, volume, and finish of a luxury motor yacht. Propelled to an exhilarating 39 knots maximum depending on configuration, load, and conditions, she is driven by twin MAN V12 inboard diesel engines, each rated 1900 hp, with 755 hours recorded on each. Her LOA is 80 ft 11 in, beam 18 ft 11 in, and max draft 5 ft 10 in. Dry weight is 109,129 lb. Fuel capacity is 1,320 gal uk and fresh water capacity is 297 gal uk.

The sport bridge includes a range of exclusive furnishings and seating areas that convert into sun loungers. Central access from the hydraulic bathing platform to the cockpit passes between twin sun pads; the foredeck seating and sun pads can be converted to create additional aft facing seats. The saloon, cockpit, sport bridge and master cabin are fitted with a NAIM Audio sound system as standard. Ambient lighting is integrated behind furniture, feature panels and through flooring. The main deck saloon features full length side windows that bring abundant natural light and provide exceptional visibility, while the well equipped galley and a dining area with an ingenious sliding glass table enhance versatility.

Below deck four en suite guest staterooms accommodate up to eight guests, all benefitting from expansive hull side glazing, and there is an additional aft cabin for occasional guests or 2–3 crew. The generous 18 ft 11 in beam yields notable interior volume, including full beam accommodations. The Princess deep V hull provides responsive handling and confident offshore performance. Multiple exterior entertaining and relaxation areas, flexible cockpit seating for dining and lounging, and an integrated galley and dining

arrangement emphasize both performance and liveaboard comfort. Shestakov Yacht Sales.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
