OVERVIEW

NEW ARRIVAL 2022 PRINCESS S78 — M/Y PARAGON. This elegant 2022 Princess S78 sportbridge motor yacht is presented in turnkey condition, having received meticulous, up-to-date servicing and maintenance. Powered by twin MAN V12 diesel engines rated at 1,900 HP each and displaying 875 hours, she delivers the composed performance, luxurious comfort, and assured handling that define Princess Yachts, allowing her new owner to board and depart immediately with complete confidence.

The interior plan is contemporary and generous, offering four well-appointed staterooms accessed via two private staircases, together with a dedicated crew cabin that balances privacy and convivial living. Outdoors, an expansive sportbridge with a retractable Bimini, a panoramic power sunroof and sweeping leisure areas create exceptional alfresco entertaining and relaxation, while a substantial hydraulic swim platform makes water access and tender operations effortless. Her sleek, express-style silhouette is enhanced by bespoke exterior appointments—custom stairs, tailored tables and rich wood accents—alongside refined exterior carpentry that imparts a distinct, upgraded finish. The helm is fully equipped with a complete Garmin navigation suite, stability is provided by a Seakeeper 18 gyroscopic unit with 1,696 total running hours (956 of those at sea), and onboard systems are robust: an Onan 29 kW generator at 1,280 hours and an Onan 17 kW generator at 480 hours support electrical needs, a Spot Zero watermaker shows 188 hours, and a Williams Jet Tender 495 with just 75 hours stands ready for beach and harbor excursions. With its combination of performance, sophistication and versatility, this Princess S78 is fully serviced, genuinely turn-key and prepared for immediate cruising with no major maintenance required.
