## OVERVIEW

---

Timeless began her journey under the name "Seaplay," crafted by the renowned John Trumpy as a luxurious cruising houseboat. Commissioned by George W. Codrington, a prominent figure from Cleveland, Ohio, and Vice President of General Motors, she was also a proud member of the New York Yacht Club and Larchmont Yacht Club. Her hull took shape at the Trumpy facility in Camden, NJ, before being transported to the Trumpy yacht yard in Annapolis. There, she was completed and launched in 1947, christened as Seaplay.

Over the years, this elegant vessel has sailed under various names, including Natamor II, Seaway, Beau Rivage, SS Sophie, and BB. In 2021, she was aptly renamed Timeless by her current owner. If you're looking to buy a yacht, explore yacht sales in the current boat location, or are interested in a yacht for sale, this classic beauty offers a unique opportunity to own a piece of maritime history.
