OVERVIEW

The Mazu 82 ranks among the largest open motor yachts available, marrying generous al fresco living areas with tranquil, well-appointed interiors. Her layout conveys the stature of a superyacht while retaining the nimble handling and practical versatility of a sophisticated chase boat. A carbon-fiber hull built with a vacuum-infused sandwich core underpins confident, efficient performance, while interiors conceived in house by Mazu Yachts sit beneath a sleek exterior penned by Halit Yukay and naval architecture by Profjord. Powered by triple Volvo Penta IPS 1350s, she reaches 41 knots with a comfortable cruising pace of 32 knots. Accommodation is adaptable, offering 4–5 guest staterooms plus 2 crew cabins to sleep 10–12 people in total, and, in keeping with Mazu’s ethos, the interior layout and finishes are fully customizable so each 82 is personally tailored. Equally at home as an Open Motor Yacht, Performance Yacht, Sport Yacht, or Luxury Dayboat, the Mazu 82 also performs superbly as a fast planing express cruiser and a capable superyacht tender or chase boat.

Detailed description

Mazu Yachts 82 stands among the larger open motor yachts on the market, uniting expansive outdoor living with refined interior comfort so that generous deck spaces evoke the sensation of a superyacht while preserving the simplicity and ease of an easy-to-operate chase boat; built with a carbon hull and a sandwich-moulded core, the Mazu 82 delivers compelling performance on the water, with an interior designed in-house by Mazu Yachts, an exterior by Halit Yukay and naval architecture by Profjord, and triple Volvo IPS 1350 drives that propel her to a top speed of 41 knots and a confident cruise at 32 knots, while layout options provide four to five guest cabins and two crew cabins, accommodating a total of ten to twelve persons, and a fully customizable interior remains the brand's DNA across all Mazu Yachts, ensuring each yacht is uniquely tailored to its owner.
