DETAILED DESCRIPTION

Detailed description

Basya Nicoli is a striking 25.15 m motor yacht built by the renowned British shipyard Sunseeker in 2004 and refitted in 2023, created for owners who demand high performance without compromising on elegance or comfort. Maintained in impeccable, turnkey condition, she marries thrilling pace with timeless design. Twin 1,550 hp Caterpillar engines deliver a top speed of 31 knots and a fast, assured cruising speed of 22 knots, making her ideal for spirited runs along the Riviera or effortless island-hopping in consummate style. The yacht's interiors, by legendary designer Ken Freivokh, immediately reveal a rare pedigree in this size range, blending refined minimalism with luxurious detail. The spacious main salon welcomes with light-toned leather sofas, a premium Bose sound system and a large-screen TV, shaping a serene retreat after days on the water. A generous dining area with an open galley invites convivial gatherings, while a large table comfortably seats all guests for elegant meals. On the lower deck, Basya Nicoli offers four beautifully appointed cabins, accommodating eight guests in complete privacy: a full-beam master suite, a VIP cabin, a double cabin and a versatile twin with two sliding single beds. Each cabin includes an ensuite bathroom, climate control and comprehensive entertainment systems with TV, audio and Wi-Fi, ensuring comfort and connectivity throughout. Outdoor living is equally compelling. A welcoming stern area hosts al-fresco dining for relaxed evenings with a view, while the bow features a spacious lounge with a folding bimini awning for sunbathing with shade on demand. The impressive flybridge elevates every occasion with a bar, ice maker and barbecue, turning day-to-night entertaining into an effortless pleasure. For adventure and easy ocean access, the yacht is equipped with a crane for a jet ski and a hydraulic

swimming platform. Designed for unforgettable escapes, Basya Nicoli is the ultimate choice for families or groups of friends seeking luxury, performance and style on the water—fresh from her 2023 refit, meticulously maintained and ready for immediate enjoyment.
