OVERVIEW

Experience the opulence of the 1996 Somerset 82' x 18' widebody yacht, now available for purchase.

This sophisticated yacht features a spacious interior that was beautifully refurbished in 2020, incorporating new flooring, elegant wall treatments, a stylish tile backsplash, a wine cooler, an electric fireplace, and luxurious furnishings.

The salon is crafted for relaxation, with a large sectional sofa on the port side, paired with a TV and fireplace on the starboard. The nearby dining area is equipped with a wet bar, complete with a sink and icemaker, and a tastefully designed dining table.

The galley is bright and open, boasting a contemporary side-by-side refrigerator/freezer (2021), a four-burner range/stove combo, a microwave, a wine cooler, and a dishwasher. For added practicality, a full-size washer and dryer are discreetly located in a utility closet along the hallway.

As you proceed down the starboard passageway, you'll find two guest staterooms sharing a well-equipped head compartment. At the passageway's end, a full-beam master stateroom awaits, featuring a king-sized bed and generous closet space.

This yacht offers abundant outdoor living spaces. Boarding from the bow, you step onto a roomy foredeck, fully enclosed with a removable eisenglass enclosure (new in 2022), creating a welcoming outdoor ambiance with climate control. Climb the steps to the upper deck, where a second helm station is located, along with ample space for entertaining or relaxing. The upper deck includes a 24' full-width party top and an island wet bar. At the stern, a spiral staircase leads down to a large aft deck, providing a third outdoor living area. The yacht's HVAC system was updated in 2022, ensuring year-round comfort.

When away from the dock, a Westerbeke 15kw generator with 1800 hours powers the vessel. Two Mercruiser 5.7L 260hp sterndrives with just 336 hours ensure dependable performance.

Discover yacht sales at the current boat location and seize the chance to own a yacht that epitomizes luxury and elegance.

DETAILED DESCRIPTION

Section name

The 1996 Somerset 82'x 18' widebody is an extraordinary yacht that seamlessly blends opulence with practicality. The interior was meticulously renovated in 2020, showcasing new flooring, elegant wall treatments, a chic tile backsplash, a wine cooler, an electric fireplace, and sophisticated furnishings. The salon is crafted for relaxation and entertainment, featuring a spacious sectional sofa on the port side, paired with a TV and fireplace on the starboard. Next to the salon, the dining area is equipped with a wet bar, complete with a sink and icemaker, and a dining table ideal for hosting gatherings.

The galley is open and airy, fitted with contemporary appliances including a side-by-side refrigerator/freezer updated in 2021, a 4-burner range/stove combo, a microwave, a wine cooler, and a dishwasher. For added convenience, a full-size washer and dryer are discreetly housed in the hallway utility closet.

As you proceed down the starboard passageway, you'll find two guest staterooms sharing a head compartment. At the passageway's end, the full-beam master stateroom awaits, featuring a king-sized bed and generous closet space.

Outdoor living is a standout feature of this yacht, beginning with a large open foredeck fully enclosed with a removable eisenglass enclosure, new in 2022, offering an "outdoor vibe" with climate control. Climb the steps to the upper deck, where a second helm station and ample space for entertainment or relaxation await. The upper deck includes a 24' full-width party top and an island wet bar. A spiral staircase descends to a large aft deck, providing a third outdoor living area.

The yacht's HVAC system was updated in 2022, ensuring comfort in any weather. Away from the dock, power is provided by a Westerbeke 15kw

generator with 1800 hours of use. The vessel is driven by two Mercruiser 5.7L 260hp sterndrives with only 336 hours, ensuring dependable performance. This yacht is the epitome of luxury, comfort, and functionality, making it an excellent choice for those in search of a superior boating experience.

Newer upgrades

This meticulously cared-for spacious houseboat has seen a series of remarkable enhancements, ensuring it remains a contemporary and cozy haven on the water. The interior was revamped in 2020, featuring a new tile backsplash that infuses the living area with a touch of sophistication. In 2021, the houseboat was further upgraded with a new refrigerator and a welcoming fireplace, ideal for creating a warm and inviting ambiance.

The year 2022 introduced even more advancements, such as a new isinglass enclosure at the bow, offering a clear and protective shield that allows for an unobstructed view while maintaining comfort. The heating and air conditioning systems were also modernized in 2022, providing excellent climate control throughout the year. Additionally, a new freezer was added, providing ample space for storing supplies during longer voyages.

The houseboat's sanitation system underwent a major upgrade in 2022 with the installation of a new head and sanitation system, enhancing both its functionality and convenience. These carefully considered upgrades collectively enhance the houseboat's allure, making it an attractive option for those in search of a combination of modern conveniences and timeless comfort on the water.
