## OVERVIEW

---

Bold yet refined, this 2023 luxury motor yacht measures a commanding 82 feet overall and boasts a generous 19-foot beam, offering the volume and presence expected of a true performance motor yacht. Conceived by Astondoa on a semi-displacement hull and constructed in durable fiberglass/GRP, she pairs efficient cruising with assured seakeeping, delivering a quiet, composed passage and lively handling. Twin inboard diesel engines provide an effortless 26-knot cruise and an exhilarating 32-knot sprint, while a substantial 1,056.63-gallon fuel reserve encourages longer runs between ports. Lying in the United States and conceived for discerning yachtsmen, she embodies the modern grand tourer—swift, polished, and unmistakably elegant.

Inside, Astondoa's design language reveals itself through abundant natural light and meticulous craftsmanship. A generous salon framed by panoramic glazing flows seamlessly into an elegant dining area and a chef-forward galley, all appointed in hand-selected veneers, polished stone surfaces, and sumptuous textiles that lift every moment aboard. Accommodations are organized for extended cruising comfort, highlighted by a full-beam owner's suite, a tranquil VIP cabin and well-finished guest staterooms, with five heads ensuring en-suite privacy and relaxed mornings. Technology is subtly integrated at the glass-bridge helm, where intuitive systems inspire confidence underway and make close-quarters handling as assured as open-water passage making.

Outdoor living is choreographed across multiple levels for both convivial entertaining and quiet repose. The flybridge invites sunlit afternoons with ample seating, a wet bar and expansive views; the aft cockpit becomes an elegant venue for alfresco dining; and the foredeck lounge provides a private retreat when at anchor. A broad swim platform keeps you close to the water and simplifies tender boarding and watersports, supported by generous

provisions including 344.53 gallons of fresh water for carefree days off the grid. Striking the ideal balance between performance and comfort, this refined 82-foot motor yacht delivers the rare combination of speed, composure and finish—an inspired choice for those who prize horizon-bound freedom wrapped in luxury.

# DETAILED DESCRIPTION

---

## 2023 Astondoa AS8

---

The only AS8 currently offered for sale in the United States, this 2023 Astondoa AS8 epitomizes contemporary Spanish yachtmaking across its 82-foot (25-meter) hull, where sculpted exterior lines meet expansive, light-filled living areas. Floor-to-ceiling hull windows define a striking profile and flood the interior with daylight, while an inventive main-deck plan fluidly connects interior salons to generous alfresco entertaining spaces. Inside, a refined modern palette and premium finishes underscore meticulous craftsmanship, and the sumptuous salon—centered around a commanding 75-inch flat-screen television—creates an elegant setting for both social evenings and cinematic leisure. The broad flybridge presents uninterrupted panoramic views and an array of lounging and entertainment zones for relaxed days at sea, and a convenient day head on the main deck enhances guest comfort. Contemporary design cues and Spanish build quality are present throughout, complemented by an upgraded AV suite and a beach package that make waterside living effortless.

Accommodation aboard is arranged for privacy and comfort, with four beautifully appointed guest staterooms welcoming up to eight guests and enhanced crew quarters that ensure professional behind-the-scenes service. The master stateroom has been increased to a full-beam, upgraded layout that elevates onboard luxury, while upgraded tropical air conditioning maintains a cool, comfortable environment in warm climates. Performance is formidable yet composed, driven by twin MAN V12 engines rated at 1,900 HP each for a top speed of approximately 32 knots, and both fin stabilizers and an advanced stabilization system provide exceptional comfort underway and at anchor. Equipped with premium navigation electronics and twin generators for

dependable autonomy, this AS8 is presented in turnkey condition and has been meticulously maintained—blending power, poise and polish to offer a rare opportunity for discerning yachtsmen seeking an exceptional motor yacht.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
