## OVERVIEW

---

M/Y MAYBE NOT, launched in 2009 and refreshed in 2022, stands out within the celebrated Ferretti 830 series as an elegant flybridge motor yacht that accommodates 8 guests across 4 serene cabins and cruises confidently at 24 knots. Perfectly scaled for the Greek islands, she slips into storybook harbours and secret coves where larger superyachts must remain offshore, offering the privacy and ease that define an authentic luxury yachting experience.

A full-beam master suite framed by floor-to-ceiling glazing bathes the interior in natural light, while zero-speed stabilisers guarantee calm and composure at anchor. Her beach club invites languid hours by the water, the expansive flybridge with wet bar encourages open-air entertaining, and the generous aft deck provides an elegant stage for alfresco dining. With low main engine hours (circa 1,950) and a substantial fuel capacity of over 7,000 litres, this planing-performance yacht is superbly equipped for extended cruising. Dry dock work in 2026 has been completed, with comprehensive annual works across the hull, main engines, and auxiliaries—including a gleaming hull polish—leaving her turnkey and immaculate. Effortlessly chic and exceptional value, she marries charter-style comforts with the presence of a modern flybridge superyacht.

## DETAILED DESCRIPTION

---

### M/Y Maybe Not

---

M/Y Maybe Not, built in 2009 and refitted in 2022, is a superb example of the hugely successful Ferretti 830 series, combining timeless style with practical seagoing performance. She accommodates eight guests in four cabins and cruises comfortably at 24 knots, perfectly sized for the Greek islands where she slips effortlessly into postcard harbours and hidden bays that larger yachts can only admire from afar. A full-beam master suite with floor-to-ceiling windows anchors her serene interior, while zero-speed stabilisers, a beach club, a large flybridge with wet bar, and a generous selection of water toys elevate life on board. Effortlessly cool and offering remarkable value, she further distinguishes herself with a spacious flybridge and a large aft deck designed for open-air dining, low main engine hours of 1,950, and a high fuel capacity of approximately 7,000+ liters, ideal for extended cruising. Dry dock in 2026 has been completed, with all annual maintenance on the hull, main engines, and all auxiliary equipment carried out, including polishing of the hull.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
