OVERVIEW

The Pershing 8X, hull #16 from 2022, arrives fully outfitted as a turn key luxury motor yacht ready for immediate enjoyment. Offered by a serious seller, this sport yacht and performance cruiser showcases the sought after owner's arrangement with three generous cabins and a second salon on the lower deck, a layout that balances entertaining and private accommodation with effortless style.

All early issues have been addressed, so she is prepared for instant use—pack your swimwear; champagne and everything else await. Significant options and upgrades are integrated seamlessly into her fit out, including twin Seakeeper NG9 stabilizers, SuperTropic air conditioning upgraded to 144,000 BTU, dual Mase IS 22 generators, a Mastervolt inverter 5,000 W (220V/24V), and an upper helm station on the sun deck. Maneuvering and night time presence are enhanced by a hydraulic thruster rated 400 kgf and additional xenon underwater lighting, while long range autonomy is supported by an Idromar watermaker rated 180 L/h. Tender and toys arrive upgraded as well with a Williams 345 SportJet and a three seat Sea Doo Spark PWC.

Refinements to design and décor run throughout the yacht: upgraded cushions and carpets, custom curtains and covers, premium leathers, bespoke tables and tops, designer lamps, refreshed upholstery, renewed floors and mosaics, parquet and headliners — request the full specification for complete details. Available for viewing and sea trials in Italy, the vessel can be purchased quickly and securely with major cryptocurrencies (BTC, USDT, ETH and more). A standout open hardtop/express cruiser with a sportbridge helm — sleek, fast, and unmistakably Pershing.

DETAILED DESCRIPTION

Detailed description Pershing 8X Silver Bullet

Pershing 8X SILVER BULLET arrives superbly equipped with an array of factory and owner-selected enhancements that elevate performance, comfort and onboard living. Stability and seakeeping are addressed by a Seakeeper 2XNG9 stabilizer for exemplary roll control, while climate comfort is assured by an upgraded Supertropic 144,000 BTU air conditioner and two Mase IS 22 generators upgraded for greater reliability. Electrical autonomy is extended with a MasterVolt Inverter 5000W/220V/24V, and maneuverability is enhanced by a driving station on the sundeck together with a hydraulic stem thruster rated 400 kGF and additional xenon underwater lighting for striking nighttime presence. Extended cruising and tendering options include a Watermaker Idromar 180 Lt/H upgrade, a Williams 345 Sportjet tender upgraded for performance, and a Jet Ski SEA DOO SPARK three-seats IBR for high-energy fun. Comfort is refined by a Pullman bed in the guest cabin, V SAT connectivity for Internet access, and a thoughtfully configured sun protection scheme consisting of a bimini with poles on the sundeck complemented by a second bimini aft, creating generous shaded lounging wherever you drop anchor. Navigation and command are comprehensive and intuitive, featuring AIS SIMRAD, a dynamic positioning system, Easy Dock for surface drives, a full Simrad navigation system monitor 24" (diff from std) and complete Naviops packages that give the helmsman total control with precision. Onboard living is finished to a high standard with household appliances by Miele, including washer and dryer, dishwasher and other conveniences, a premium sound system and upgraded televisions, ensuring every passage feels like a private retreat. Completing the specification are numerous bespoke design and decorative improvements to cushions, carpets, curtains, covers, leathers,

tables, tops, lamps, upholstery, floors and mosaics, parquet and ceilings; ask us for the full list to appreciate the meticulous attention to detail that defines SILVER BULLET.
