OVERVIEW

This Ferretti 830 is a 25.3-meter luxury motor yacht from Ferretti Yachts, built in Italy and delivered in 2005. A landmark in the series, she introduced a sweeping open-view window to the full-beam master suite, framing unbroken sea panoramas visible from the bed and complemented by a cleverly arranged bathroom with dual access. Designed as a flybridge vessel and a performance cruising yacht, she accommodates up to eight guests across four elegantly appointed en-suite staterooms, while a dedicated crew of three provides an effortless, superyacht-caliber service. Meticulously maintained and presented in fine condition, she underwent a partial refit in 2020 that included new teak decking throughout; new saloon carpet, curtains, upholstery and refreshed ceiling and wall fabrics; replacement cushions on the aft and foredecks and on the flybridge; a 2020 Kohler 20 kW generator installed with the second genset overhauled; twin Simrad NSS3 GPS displays in 12- and 9-inch sizes; and a Simrad HALO20 radar with 24 NM range. With the 830, open-water cruising is pure pleasure—a refined family yacht and Mediterranean cruiser that delivers elegance without limits. Further details available on request.
