OVERVIEW

"CHATO" represents an exhilarating opportunity for an enthusiastic owner. Crafted in 1987 by the esteemed Italian shipyard Baglietto, with the brilliant Alcide Sculati as the designer—who later helmed the legendary "Destriero," known for its record-breaking Atlantic crossing—this yacht remains a coveted gem for admirers of this iconic shipyard. Its timeless elegance and exceptional performance are truly unmatched. Equipped with dual MTU engines and hydro jet propulsion, "CHATO" continues to rank among the top ten fastest superyachts, even 35 years post-launch. For those interested in yacht sales in the current boat location, this is a remarkable yacht for sale that embodies luxury and speed. If you're looking to buy a yacht that combines classic design with modern performance, "CHATO" is an unparalleled choice.
