## OVERVIEW

---

A twin-screw semi-displacement trawler, launched on 13/08/2022 and classified to CE Category A, this yacht bears the unmistakable hand of Mural Yachts, which performed the shipbuilding, naval architecture and exterior styling, with interior design by Esra Karabeyoğlu in collaboration with Mural Yachts. Her proportions are refined and purposeful: a length overall of approximately 25.7m (84.3'), a length at waterline of 23.94m (78.5') alongside a listed length waterline of 22.59m (74.1'), a generous maximum beam of 7.09m (23.3'), a draft of 1.65m (3.49') and a depth of 3.27m (10.73'). Displacement at half load is approximately 100MT, and she delivers practical performance with a maximum speed of 16.5 knots and an economical cruising speed of 12 knots, giving an approximate range of 1,375 nautical miles. Accommodation is intimate and elegant, arranged for seven guests with a crew complement of four.

Craftsmanship is evident throughout her construction: the hull shell is strip plank and cold-molded mahogany, supported by laminated frames and beams in mahogany and Aframosia, with decks finished in Burma teak over marine plywood. The superstructure follows the same language of materials, with a marine plywood shell, laminated mahogany and Aframosia frames and beams, and decks also laid in Burma teak over marine plywood. Currently offered for sale and situated in a prime yacht market location, this vessel combines classic timber construction and contemporary naval thinking to present a refined platform for extended, comfortable cruising.
