OVERVIEW

BELLO VIAGGIO

BELLO VIAGGIO, a 2015 Azimut Yachts build measuring 84 feet LOA, blends the brand's celebrated Italian styling with assured performance. Twin MAN V12 engines, each rated at 1,800 hp, provide confident thrust and smooth, responsive handling for coastal runs and island hops alike. Inside, light woods paired with rich dark accents create a warm, refined ambience, while expansive windows bathe the interior in natural light. She accommodates nine guests in four ensuite staterooms; the full-beam master enjoys a private entrance off the main salon, and the remaining cabins adapt seamlessly for families, friends, or couples. With AV systems throughout and generous storage in every cabin, she is primed for extended time on the water.

BELLO VIAGGIO is a well-appointed, turnkey yacht for owners who value style, power, and comfort in a single, compelling package.

DETAILED DESCRIPTION

CONSTRUCTION

BELLO VIAGGIO, a 2015 Azimut Yachts vessel with an overall length of 84 ft, showcases a fiberglass hull and superstructure complemented by teak decks.

DIMENSIONS

Built in 2015 by Azimut Yachts, BELLO VIAGGIO measures 84.00 feet (25.60 meters) overall, with a molded beam of 20.67 feet (6.30 meters) and a loaded draft of 5.58 feet (1.70 meters). The yacht's tonnage is 62 gross. Fuel capacity is 1,716 US gallons (6,496 liters) and water capacity is 317 US gallons (1,200 liters). Her maximum speed is 30.0 knots, with a cruising speed of 26.0 knots.

MACHINERY

BELLO VIAGGIO is equipped with twin MAN V12 main engines, each rated at 1,800 Hp; recorded hours stand at 3,560 on the port engine and 3,565 on the starboard. The main engines are paired with ZF 2060V gearboxes featuring single lever electronic controls and an integral V-drive arrangement. Propulsion is provided by four blade Nibral propellers, 39 inches in diameter.

Electrical generation and distribution are configured for 120/240V. Two Kohler generators, each 32 kW, are installed; generator hours are 13.0 on the port unit and 18.8 on the starboard. Shore power is supplied by three 240V 100 Amp cords.

Climate control is provided by CruisAir equipment with reverse heat cycle capability.

Other machinery includes an Idromar International watermaker; trim and stabilization systems comprise Humphree Interceptor 37-inch units and CMC Marine stabilizers for both underway and zero-speed operation. Bow thruster

power is supplied by an ABT hydraulic unit rated at 30 HP. Steering is by a BCS twin hydraulic system.

COMMUNICATION, NAVIGATION & ENTERTAINMENT SYSTEMS

BELLO VIAGGIO, an Azimut Yachts 2015 model with an overall length of 84 ft, is equipped with comprehensive communication, navigation and entertainment systems. The communication suite includes a VHF at the main helm station featuring two Raymarine units, and at the flybridge helm station two Raymarine 260 units; an Azimut Hailer System provides intercom capability.

Navigation is enhanced by radar at both the main helm station with two Raymarine units and at the flybridge helm station with a single Raymarine repeater. A 4” Zenith magnetic compass is installed at both the main helm station and the flybridge helm station. Autopilot is supplied by Raymarine. GPS functionality is provided by two Raymarine GS165 GPS chartplotters at the main helm station and two Raymarine GS165 GPS chartplotters at the flybridge helm station. A 72NM Azimut Ship Monitoring System serves as the ship’s computer.

The entertainment system features video equipment including 32” Samsung TVs on the aft deck, flybridge, salon bar and guest cabins; a 60” Samsung TV with Apple TV in the salon and master stateroom; an additional 32” TV in the salon bar; and a 24” Samsung TV with Apple TV and Bose DVD in the crew area. Audio equipment comprises KVH Tracvision Bose surround sound in the salon, master and all guest cabins, and JL Audio surround sound on the aft deck and flybridge. Shestakov Yacht Sales.

GALLEY & LAUNDRY EQUIPMENT

The main galley is equipped with a Miele four burner stove, a Miele oven

installed in 2022, and a Miele vent hood with lighting installed in 2022. A Sub Zero refrigerator with two freezer drawers and an ice maker provides refrigeration and freezing in the main galley, complemented by a Miele dishwasher. The crew galley/mess features an Isotherm refrigerator with freezer. Additional galley equipment includes a Kenyon two burner electric grill on the flybridge, while aft deck refrigeration is supplied by an Isotherm refrigerator. The flybridge itself houses two Isotherm refrigerators and an Isotherm ice maker, all new in 2022. The salon contains a Sub Zero wine fridge. Laundry facilities comprise a Miele washer and dryer located in the guest hallway.

BELLO VIAGGIO — 2015 Azimut Yachts, 84 ft. Shestakov Yacht Sales.

TENDERS & TOYS

Tender: one 2019 15-foot ZAR equipped with a 90 Hp engine.

DECK EQUIPMENT

BELLO VIAGGIO, a 2015 Azimut Yachts 84 foot vessel, is outfitted with a Lofrans vertical electric anchor windlass alongside two Lofrans electrical winches, one to port and one to starboard. Port and starboard lifting operations are supported by two Lofrans electrical crane/davit units. The vessel's passerelle is an Opacmare hydraulic unit, and the swimming platform is likewise fitted with an Opacmare hydraulic system. Additional deck fittings include underwater lights and a central vacuum system. Shestakov Yacht Sales.

ACCOMMODATIONS

BELLO VIAGGIO, a 2015 Azimut Yachts 84 ft vessel, accommodates nine guests across four ensuite staterooms. The décor throughout favors warm light

woods with rich dark wood accents and plush carpeting; each stateroom is equipped with its own AV entertainment system.

The full-beam master suite is accessed via a private entrance from the main salon and benefits from large windows that flood the space with natural light. It is furnished with a king bed with storage beneath, a full AV system with an integrated Mac Mini, and generous closet and cabinet space. The ensuite contains his-and-hers sinks, vanity storage, and a walk-in shower.

The VIP stateroom features a queen bed with under-bed storage, a portside vanity and closet, windows on both sides plus an overhead hatch for brightness and ventilation, a full AV system, and an ensuite with vanity and walk-in shower.

The port guest cabin offers a queen bed with storage beneath, large windows, an AV system, storage cabinets, a closet, and a private ensuite.

The starboard guest cabin has twin beds on a sliding mechanism that convert to a queen and an additional Pullman berth for extra sleeping space; it also provides under-bed storage, large windows, an AV system, a storage cabinet, a closet, and an ensuite.
