OVERVIEW

Delivered in 2017, the Ferretti Yachts 850 Hardtop stands out in its series, presented in immaculate, as new condition and tended by a dedicated full time captain so that every component, finish, and detail is upheld to uncompromising standards. Twin MAN 1900 hp engines thrust this luxury motor yacht to 31 knots, while zero speed fin stabilizers ensure remarkable steadiness both at anchor and underway, complementing the fast planing hull that makes her a true turnkey flybridge superyacht.

Inside, the refined interior is appointed with parquet soles, marble bathrooms, and Minotti furnishings, and she benefits from an upgraded Simrad navigation suite, full boat AV/entertainment, a tender launch system, and tropical spec air conditioning. A premium options list augments her capability and comfort with a stern thruster, underwater lights, a watermaker, upgraded generators, and extensive lifestyle amenities. This elegant hardtop cruiser represents a compelling opportunity for an exacting buyer seeking blue water adventures and high end yachting.

DETAILED DESCRIPTION

Summary

This 2017 Ferretti Yachts 850 Hard Top Version (Hull No. 10, delivered July 2017) represents an exceptional opportunity to acquire a yacht that fuses Italian styling, robust performance, and flawless presentation, built in Cattolica and specified with an extensive array of factory options and enhancements that have been fastidiously maintained under a full time captain to present today in immaculate, as new condition. Powered by twin MAN 12V 1900 hp engines, she thrills with a 31 knot top speed and settles into an effortless 26 to 27 knot cruise, while precise close quarters control is provided by hydraulic bow and stern thrusters with the stern unit featuring a double prop hydraulic system and zero speed stabilizers delivering remarkable comfort both underway and at anchor; aft deck docking controls further streamline mooring. Twin upgraded Onan generators rated at 27 kW and 19 kW with Racor filtration and smoke separation systems, together with tropical spec air conditioning and an Idromar watermaker rated at 180 l/hr, ensure quiet, reliable autonomy in any climate. The Zuccon designed interior is elegant and contemporary, flooded with natural light through oversized windows and flowing seamlessly from lounge to dining over upgraded parquet flooring with a fully equipped bar, while accommodation is thoughtfully arranged across four ensuite guest cabins for eight guests, crowned by a full beam master suite with marble bathrooms, Minotti furnishings, a leather dressing table, a king size bed and generous additional storage; two crew cabins accommodate three crew for discreet service. Practical luxuries such as electric blackout blinds and curtains, washer/dryer units, extensive storage including a wine cellar and wine cooler, and Siemens galley appliances underscore the turnkey nature of the yacht. Entertainment and navigation are comprehensive, with

multiple TVs including a fifty five inch saloon screen, a forty eight inch master display and thirty two inch screens in guest and VIP cabins, Sonance XTR outdoor speakers, a Fusion multi zone audio system with amplifiers and subwoofers and iPod/iPad connectivity, a KVH TV6 dome for satellite television and a Simrad navigation suite featuring three M Touch displays, radar/plotter, autopilot, a HALO 3 antenna, NSS12 Evo2 displays on the flybridge and the NAVIOP monitoring system complemented by CCTV with a ten inch monitor. Outdoor living is maximised by a hardtop flybridge with dimmable lighting, bar, dining and sunpads, a private bow lounge with sunloungers and an aft cockpit that connects seamlessly to a hydraulic swim platform for effortless water access, while a tender launching system, underwater lights, retractable cleats, teak decks with grey caulking and stainless swim handles elevate the lifestyle experience. Highlights of her optional upgrades and accessories include the stern hydraulic thruster with double prop, zero speed stabilizers, tender launching system, underwater lights, hardtop with dimmable lighting, Idromar watermaker at 180 l/hr, upgraded Onan generators at 27 kW and 19 kW, parquet flooring, marble bathrooms, Minotti furniture, tropical air conditioning throughout, electric blackout blinds and curtains, a KVH satellite system with an upgraded AV package and extensive storage complemented by a wine cooler and washer/dryer units. In summary, this Ferretti 850 is not just a yacht but a statement of meticulous ownership, turnkey reliability and refined luxury, every upgrade selected to enhance comfort, performance and ease of use and presented by an owner who has spared no expense, making her among the very best modern flybridge yachts available today for buyers seeking as new quality without the wait of a new build.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
