# OVERVIEW

---

## GLOBEMASTER 26M

By Kit Carlier Design NZ / Mazarin - German Yachts & Stimson Naval Architecture NZ

"The Globemaster is crafted as an all-terrain exploration yacht, designed to thrive in offshore conditions for prolonged journeys. Constructed with a GRP foam sandwich, it offers exceptional strength and rigidity while maintaining a lightweight profile. The vessel's exterior is a refined blend of E-glass and Carbon fiber, customized for each component. The outer layer is E-glass, complemented by carbon fiber on key bulkheads and inner deck layers, maximizing strength and stiffness where it matters most."

This is more than just a CAD "concept"; with completed Engineering and Fluid Dynamics, she is ready to set sail! Capable of reaching 32 knots, with a 4800NM range at cruising speed, powered by a 2000hp MTU engine, and offering an optional Hybrid Electric drive.

Explore yacht sales in the current boat location and discuss your layout and interior preferences. Consider this yacht for sale if you wish to buy a yacht that embodies luxury and adventure.

# SPECIFICATIONS

## Basic Information

**Category:**  
Motor yachts

**Sub category:**  
Cruisers

**Model Year:**  
2026
