OVERVIEW

A floating seaside penthouse embodied in a Ferretti 850 motor yacht, lovingly maintained by a single private owner and a permanent crew. Never offered for charter, her interior remains in immaculate, near-new condition, with an opulent salon and sumptuous suites that speak to refined comfort, while her exterior, engines and all onboard systems benefit from annual expert maintenance and servicing. A graceful flybridge superyacht, she blends unmistakable Italian design with restrained, effortless power.

Serious buyers are encouraged to request a live video walkthrough or to arrange a private viewing to appreciate her elegance in person.

DETAILED DESCRIPTION

Introduction

A maxi loft surrounded by the sea, this Ferretti Yachts 850 has been meticulously cared for by her single, original owner and permanent crew and has never been chartered, so her interiors remain as-new while exterior finishes and machinery are inspected and serviced annually. We invite interested buyers to contact us to arrange a video call or a private visit and experience her first-hand; some yachts simply leave you breathless, as though a new aesthetic benchmark and a higher level of pleasure underway have just been set. Such strides in engineering and design are the hallmark of industry leaders like Ferretti Yachts and its remarkable team of engineers, designers and seasoned professionals, heirs to Italy's distinguished boatbuilding tradition and guardians of its glorious heritage, and the Ferretti Yachts 850 ventures into new waters with a rare fusion of power and beauty, assertive allure, elegance and luxury.

Highlights

Conceived by Zuccon International Project, this yacht showcases Ferretti's celebrated Italian craftsmanship inside and out: on deck both hull and decks present as new, with a white GRP hull and a main deck and flybridge laid entirely in teak. Inside, the main deck unfolds as an elegant main saloon framed by large windows, refined furnishings and a dedicated television area, while the galley is set apart from the lounge and positioned conveniently closer to the navigation zone. Below, she welcomes eight guests across four double cabins including a full-beam en-suite master stateroom, a generous VIP, a twin cabin and a bunk cabin, each with its own en-suite bathroom, while forward the crew quarters comprise two cabins in the bow, each with its own amenities

to ensure discretion and efficiency. In terms of performance and comfort, twin MAN V12-1800 diesel engines, each delivering 1,800 hp, drive her to top speeds up to 31 knots with an effortless cruise around 24 knots, while dual Cummins Onan 27 kW generators and Seakeeper 9 gyro stabilizers provide exceptional comfort both underway and at anchor.
