# DETAILED DESCRIPTION

---

## Description

---

We are pleased to present this magnificent Sunseeker 82 Sport, beautifully configured and comprehensively refitted in 2023. Powered by MAN V12 engines showing 2150 hours and supported by generators with 4000 hours, she shines with new teak underfoot and a designer interior, complemented by renewed pumps, a fresh-water maker, thorough engine overhauls and a host of additional upgrades that elevate comfort and reliability. Contact us for full details and to arrange your private viewing.

## Features

---

Thoughtful specification elevates every moment on board, beginning with robust electrical systems that include a shore power inlet, a generator and an inverter for dependable energy management at sea and alongside. The comprehensive electronics suite brings true command and entertainment with a depthsounder, radar, a log-speedometer, a radar detector, wind speed and direction instrumentation, a computer, repeaters, a TV set, a navigation center, a plotter, a DVD player, an autopilot, a radio, a compass, a CD player, GPS, powerful cockpit speakers, VHF, a flat screen TV, Wi-Fi and AIS. Interior amenities have been curated for effortless cruising: a dishwasher, bow thruster, washing machine, electric bilge pump, oven, manual bilge pump, microwave oven, air compressor, marine head, air conditioning, electric head, heating, hot water, refrigerator, fresh water maker, deep freezer, sea water pump and battery charger. Outside, the yacht indulges with a teak cockpit and teak sidedecks, a cockpit shower, outboard engine brackets, a gangway and a hydraulic gangway, a liferaft, plush cockpit cushions and a generous cockpit table, a swimming ladder, a surf system and a hydraulic bathing platform that

transforms the sea into your private beach club. Additional delights include a dance floor, a dedicated office, underwater lights, an array of water toys, a cinema, a garage, true walk around capability and a responsive touch screen interface, all combining to create an elevated yachting experience.

## Propulsion

---

A confident, twin engine installation delivers assured performance: two MAN V12 diesel engines from 2006, each producing 1550 hp, with 2150 hours recorded, mounted inboard and driving through direct drive to four blade bronze propellers. This meticulously maintained arrangement combines smooth power delivery and efficiency with the durability of bronze, ensuring long range capability and crisp handling.

## Specifications

---

Designed for poised passage making, she cruises comfortably at 13.5 kn and reaches a maximum speed of 18.36 kn. Dimensions underscore her presence and practicality with a length overall of 85.3 ft, a beam of 19.69 ft and a length at waterline of 19.69 ft. Displacement and capacity are well balanced, with a dry weight of 234,352 Lb and a gross tonnage of 70 t. Tankage suits extended voyages, offering 139.75 gal of fresh water and 1849.21 gal of fuel. Thoughtful accommodations provide 4 guest cabins served by 8 guest heads, complemented by 2 crew cabins and 2 crew heads to ensure impeccable service and privacy.

## Other details

---

As described by the manufacturer, the Predator 82 unites dynamic new design principles to deliver more space and comfort than ever, crowned by an

upper deck hard top whose unique rotating glass sunroof floods the interior with natural light. Performance is yours to tailor, with twin diesel engines driving either traditional shafts or Arneson surface drives to suit your cruising style. Principal features are abundant and finely executed: a garage for an optional tender and jet ski; a fixed bathing platform with hot and cold swim shower; a wet bar with ice maker, cool chest and a sink with hot and cold water; a ceramic griddle in the cockpit; radar, chart plotter and GPS navigator integrated with an autopilot; power assisted steering; an electronic speed log, depth sounder and VHF radio; trim tabs; a hydraulic bow thruster (30hp) and hydraulic stern thruster (30hp); flatscreen televisions in all cabins (excluding crew) with a surround sound system serving the deck saloon and aft master stateroom; a well appointed galley with ceramic hob, microwave combination oven, refrigerator, freezer and a slim line dishwasher; a hot and cold water system; an automatic fire extinguishing system for the engine room; automatic bilge pumps; slow speed generators with silent exhaust; AC shore power with battery charger; air conditioning to all cabins; a remote control spotlight; an electric winch with foredeck and console controls; a toilet system with holding tank; a fresh water marina connection; teak cockpit, bathing platform and steps, plus teak side decks; an opening hardtop roof; crew quarters; antifouling; and all items included in the standard specification. The US specification package adds compliance with US Coast Guard build regulations and US specification appliances. Engine notes confirm twin FP props in semi tunnels for efficient thrust and minimal vibration. The company provides this information in good faith but does not guarantee its accuracy or the vessel's condition; buyers should instruct their agents or experts to verify details of their choice. The vessel is offered subject to prior sale.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
