## OVERVIEW

---

Launched in 2019, this 25.9 m luxury motor yacht presents the largest owner's suite in her category—more than 32 square metres of private sanctuary—framed within a loft-inspired layout that celebrates expansive, open-plan living. MILU' welcomes up to 8 guests across 4 elegantly appointed staterooms, tended by a professional crew of 4 who have remained unchanged since handover; kept for private use only, she presents in immaculate, near-new condition and is offered truly turn key.

This flybridge yacht is fitted with numerous premium options and has logged just 920 engine hours, with low hours recorded on both engines and generators, making her ready to cruise immediately. Thoughtful upgrades elevate the interior and exterior: marble-appointed bathrooms, an additional wine cellar and a dedicated ice maker, while the hull and superstructure benefit from an Awlcraft premium finish. The reinforced swim platform is rated up to 900 kg and is capable of accommodating a William Tender 395 with guests aboard, and a Sonos multi-zone Hi Fi audio system ensures refined entertainment throughout.

Key features:

Attractively priced for a swift sale

Low hours on both engines and generators

Numerous upgrades: marble-appointed bathrooms, extra wine cellar, and an ice maker

Reinforced swim platform rated up to 900 kg; capable of handling a William Tender 395 with guests aboard

Awlcraft premium finish on hull and superstructure

Sonos multi-zone Hi Fi audio system

Same experienced crew since delivery

Award-winning design pedigree

Wintered fully protected in a covered shed

A refined, contemporary luxury yacht that blends generous space, modern style and assured performance—ideal for effortless family cruising or sophisticated entertaining.

# DETAILED DESCRIPTION

---

## Specifications

---

A striking Arcadia Yachts A85 delivered in 2019 as hull 16, this yacht measures 25.91 m in length with a generous 7.14 m beam and a shallow 1.66 m draft, offering remarkable volume at 109 GT and effortless access to secluded bays. Conceived by Arcadia Yachts as naval architect with exterior lines by Francesco Guida Design, she is built in fiberglass with a fiberglass superstructure, featuring a White AWLCRAFT hull in a Semi-planning configuration that blends efficiency with confident seakeeping. Flying the flag of Malta and certified to RINA EU Declaration of Conformity Category B, she is powered by main engines comprising 2 x MAN i6-730hp, supported by fuel capacity of 9,300 L and fresh water capacity of 1,600 L. Her performance profile is balanced and refined, with speed at 12 knots, a comfortable cruising at 10 knots, and a maximum of 16 knots. Thoughtfully arranged accommodation provides 4 cabins for 8 guests with a sleeping configuration of 2 doubles and 2 Twins, 4 singles berths, while the crew enjoy 2 crew cabins with 4 berths to ensure flawless service.

## Machinery

---

Reliability and refinement underscore the engineering, with main engines specified as 2 x MAN i6-730hp showing 1520 engine hours, mated to ZF 325 IV gearboxes and a robust Shaft Marincox 17 drive. Her efficiency envelope is clearly mapped: at Maximum she delivers 15,5kn - 280l/h - 500Nm - 2200 RPM, while at Cruising she settles into 10kn - 64l/h - 950Nm - 1200 RPM. Electrical autonomy is assured by Output: Phoenix Contact and twin generators, 2 x Kohler 28 KW 50 Kz, with generator hours recorded as Stab 4020 Port 3950 and generator fuel consumption at 10/15 L/H; shore power connectivity is 220v

– 50Hz 63 A, complemented by solar panels rated at 4.7kw. Starting power is provided by batteries Main Engine Starting: 24V – 300 Ah and Generator Starting: 12V – 150 Ah EACH. Onboard climate is meticulously managed by a Dometic PCWM 30004 Mediterranean Type Condaria System delivering 120.000 Btu/h. Further systems include water makers Idromar 180l, trim tabs/stabilizers CMC Electric – HS60, a bow thruster CMC Marine BTM 30 EA - Electric 25KW, Hydraulic Steering System – BCS, fuel separator & filtration Alfa Laval MiB 303S -13/33, sewage system Selmar blue Sea Plus 2500, and a fresh water system Autoclave 1 x 220 w, 1 x 24 w.

## Communication systems

---

Connectivity on board is streamlined and dependable, centered around a VHF suite Raymarine RAY90/91 and complemented by a cellular phone system Fritz to keep guests and crew in touch offshore and in port.

## Navigation systems

---

Precision navigation is delivered through an integrated suite featuring radars Raymarine quantum 2 and a gyrocompass Airmar, while course-keeping relies on an auto pilot Raymarine p70s – Evolution EV1 and ACU. Situational awareness is enhanced by a depth sounder Raymarine CP100 and night vision via a thermal camera Flir – Raymarine T350, with position accuracy secured by GPS Raymarine RS150.

## Galley & laundry equipment

---

The galley is conceived for gourmet living, with main galley equipment including a 4 burners vetroceramic cook top, refrigeration/freezer by Bosch KAN 90V120 comprising a 380l fridge and 100 L freezer, and a dishwasher

Bosch SMV46 for effortless clean-up. Additional galley equipment elevates versatility with a Microwave Oven Bosch BFL634G.1, a Multifunction Oven, and an Extractor hood Bosch DHL535C, while oenophiles will appreciate 2 x Wine Cellar Liebherr UW1682 preserving vintages to perfection. For extended cruising, the laundry area is equipped with a Miele washing and Dryer Machine to keep wardrobes pristine.

## Deck equipment

---

On deck, operations are effortless thanks to an anchor windlass Lofrans – Project X4 R/O working with aft warping capstans Lofrans – T. 1700, paired to anchors at 80kg and an anchor chain of 150m/12mm diameter chain that inspires confidence at any anchorage. Tender handling is simplified by a boat crane and davits Opacmare, and guests board with ease via a passerelle Opacmare 4,0 m/150kg. At the waterline, the swimming platform is specified as Extra to UP & DOWN 900kg, creating a versatile launch and leisure area.

## Safety & security equipment

---

Safety provisions are comprehensive and up to date, with life rafts Eurovinil Spa. 2x 8 persons each ready for rapid deployment, supported by 16 lifejackets for all aboard. Visual signaling is assured with flares, while medical readiness is covered by a certified first aid kit, giving peace of mind on every passage.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
