# DETAILED DESCRIPTION

## Section name

The HAZE is an 85-foot yacht crafted by Extra Yachts in 2021, embodying a blend of durability and low maintenance with its Fiberglass/GRP hull. This impressive vessel reaches a maximum speed of 21 knots, while comfortably cruising at 12 knots, making it a remarkable performer on the water. Emphasizing sustainability, HAZE incorporates photovoltaic cells for energy generation, reflecting an eco-conscious approach to luxury yachting. With a gross tonnage of 86 GT, HAZE offers a spacious layout that accommodates up to eight guests across four elegantly designed staterooms. The exterior, designed by Francesco Guida, features clean lines that complement the yacht's sleek profile. Inside, the collaboration between Lawson Robb and Francesco Guida results in an interior that prioritizes panoramic views and thoughtfully crafted spaces. The main salon is a bright and inviting space, welcoming natural light through its panoramic windows and a glazed ceiling. Outside, the yacht boasts a generous 50-square-meter beach club equipped with a hydraulic swim platform, perfect for enjoying the water. The flybridge offers ample seating and sun pads, providing an ideal spot for relaxation. HAZE's exceptional design and functionality have been recognized with the "Interior Design under 40m" award, underscoring its status as a masterpiece of modern yacht design.
