DETAILED DESCRIPTION

Extra details

The Magnum 80 “White & Silver” is a commanding example of the Magnum 80 Sport by Magnum Marine USA, stretching 25.91 metres and launched in 2000 before undergoing a full refit in 2017; Italian-flagged and kept in Naples, she combines the lightweight strength of a composite hull with the drama of pure performance. Propelled by twin MTU 16V M90 engines that produce 1,820 hp apiece and paired with Arneson Drive ASD 14 surface drives and six-blade Rolla propellers, she confidently reaches a 41-knot top end while delivering a steady 34-knot cruise—an uncommon marriage of pace and seakeeping.

Her deck arrangement is crafted for open-air living, with a broad teak cockpit featuring face-to-face dinettes, an expansive sunpad, an oversized aluminium swim platform and a bespoke hardtop that frames alfresco entertaining.

Accommodations for six guests are arranged in three refined cabins: a full-beam master with a king-size bed and private ensuite, a VIP forward cabin and a twin guest cabin, while separate crew quarters ensure discretion and smooth service. The saloon offers a seamless flow between living and dining areas finished to the highest standard, complemented by a separate, fully equipped galley fitted with Gaggenau and Bosch appliances.

Systems and equipment underline her practicality and comfort, including twin Northern Light generators, Crusair air conditioning, a bow thruster and a hydraulic Opacmare passerelle, together with a comprehensive Simrad electronics package that incorporates 50NM radar and satellite TV. Asking Price: €2,590,000 VAT Paid.
