OVERVIEW

Numarine's 26XP, the best-selling jewel of the XP pocket explorer motor yacht collection, is a refined luxury explorer that marries a commanding presence with clear purpose. At 85 feet in length she delivers remarkable interior volume, projecting the sense of a much larger vessel than her LOA suggests, a feeling intensified by a powerful 21-foot beam and generous expanses of glazing that pour daylight into the living spaces. In standard specification she comes fitted with a hydraulic swim platform aft, providing effortless accommodation and launch for a tender. Accommodation is arranged for eight guests in four cabins, centred on a full-beam owner's suite set aft and a spacious VIP forward, with two further guest staterooms completing the lower-deck layout. A signature comfort is the uninterrupted 7 feet of headroom throughout, enhancing the atmosphere of space and elegance. In the superyacht and expedition yacht arena the 26XP balances scale, value, volume and workmanship to present a persuasive best-buy for discerning long-range cruising enthusiasts.
