OVERVIEW

An exceptional opportunity to acquire LA PAUSA, a beautifully maintained Ferretti Custom Line Navetta 26, a 26.22 m semi-displacement GRP motor yacht delivered in 2010 and brought thoroughly up to date with a major refit in 2023. Presented as a turnkey proposition within the competitive 25 m luxury yacht and superyacht class, she marries calm, economical cruising with three-deck versatility and the refined presence of a flybridge superyacht.

Her semi-displacement GRP hull is engineered for composed, efficient passages, while a Dual Stabilizing System preserves comfort both underway and at anchor. Propulsion is provided by reliable twin MAN engines, each rated at 1,100 hp, forming an ideal powerplant for a tri-deck motor yacht designed with family life and charter work in mind.

Meticulous maintenance and recent upgrades underpin her appeal: a brand-new main generator (2025 model) has been installed; the main bridge navigation suite has been fully modernized; lighting throughout has been converted entirely to LED; the saloon and guest areas now feature new wooden flooring and elegant dining furniture; Sonos multi-zone audio and new smart displays enhance entertainment and control; and the hull received a complete repaint in 2020 as part of her careful upkeep.

Accommodation is luxurious and thoughtfully laid out for privacy and service, welcoming up to 11 guests in five en-suite staterooms. A sought-after full-beam owner's suite occupies the main deck, delivering privacy and panoramic views, while the lower deck houses two VIP staterooms and two twin cabins—one fitted with a Pullman berth. Crew facilities consist of dedicated quarters for four crew in two cabins, ensuring discreet, professional service.

With its five-cabin arrangement and main-deck master, proven charter pedigree, and immediate readiness after the 2023 refit, LA PAUSA blends

range, comfort, and style into an exceptional family cruiser and charter yacht ready for her next discerning owner.
