OVERVIEW

The Long Island 86 Power is an impressive cruising power catamaran crafted by the renowned Marc Lombard Design Group and constructed by JFA Yachts. This vessel boasts an aluminum hull paired with a composite deck, ensuring robustness, lighter weight, and longevity. Inside, you'll find spacious living quarters and luminous interiors. The flybridge model offers a navigation hub, a sheltered bar, and comfortable lounge seating. Alternatively, an enclosed wheelhouse layout is available. The foredeck is equipped with a Jacuzzi and seating area, while the aft platform is designed to carry a large tender and accommodate water toys. This yacht for sale can host 8 guests in 4 luxurious cabins, with additional space for up to 4 crew members. The interior design, in collaboration with Frank Darnet Design, is fully customizable to suit your preferences. Engineered for extended voyages, the Long Island 86 Power seamlessly blends efficient performance with ample living space, prioritizing comfort on the open sea. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that epitomizes luxury and elegance.
