## OVERVIEW

---

A unique 2014 Princess 88 motor yacht presents itself for sale, a striking silver-hull edition that carries a sleek, superyacht silhouette and the presence of a true luxury motor yacht. At 88 feet, this flybridge yacht offers exceptional volume and an intelligently flowing layout, the best-in-class layout for a planing motor yacht in this size range, with low engine hours and meticulous upkeep evident throughout.

The main deck saloon is bright and intimately connected to the sea by a saloon side balcony with sliding door, while the full-beam owner's suite is artfully framed by expansive panoramic windows that invite light and views. The interior is contemporary and modern, harmonizing elegant finishes with functional cruising yacht practicality.

Sea-keeping and handling are assured by ABT-TRAC fin stabilizers and ABT bow and stern thrusters, and convenience at the waterline comes from a hydraulic tender-lift swim platform. Outdoor comfort is amplified by flybridge and foredeck sun awnings and a flybridge hardtop with electric opening, creating versatile entertaining and sunbathing spaces.

Offered as a brokerage yacht and ready for immediate inspection, this 88-foot yacht for sale is located in Bodrum, Turkey. Whether regarded as a cruising yacht or a statement of superyacht styling, it combines refined aesthetics with seaworthy engineering for effortless ownership.
