OVERVIEW

2005 Azimut 85 Flybridge — an elegant example of motoryacht craftsmanship, offering refined living spaces and confident performance. The interior hosts four guest cabins accommodating up to nine guests, alongside two crew cabins arranged for three crew members, each cabin finished with its own en suite facilities. Comfort and convenience are enhanced by practical systems including a lift, stabilizer, watermaker, and a retractable hydraulic gangway, all carefully integrated into the yacht's design. Propulsion comes from 2 x 1,550 hp MTU 12V 2000 M 91 engines, delivering strong, composed passage-making; these MTU units received a full W5 overhaul in 2019 and have recorded just 450 hours of use since. Available at the current boat location, this Azimut 85 represents a rare opportunity to acquire a yacht that marries luxurious accommodation with thoroughly serviced mechanicals — for further particulars, please contact us.
