OVERVIEW

Launched in 2003 in the picturesque Viareggio, Italy, by the renowned Gianetti Yachts, BOULOS is a stunning 86-foot motor yacht crafted with robust GRP construction. After an extensive refit in Palma de Mallorca, Spain, this exquisite vessel is now located in Miami Beach, Florida, offering an unparalleled experience of luxury on the water.

The interior of Boulos is a masterpiece, featuring a sophisticated combination of bright white carpeting, elegant Armani vinyl wall coverings, and bespoke fabrics. The main salon boasts an open design with a generous lounging area to starboard, complemented by a stylish bar in lieu of a conventional dining area. Expansive windows flood the space with natural light, creating an inviting atmosphere perfect for relaxation and social gatherings.

Boulos accommodates up to seven guests in three beautifully appointed cabins, with an additional pullman berth for added versatility. The full-beam owner's suite on the lower deck is accessed via a private staircase, ensuring utmost privacy and comfort. Two tastefully designed guest cabins, each with en-suite facilities—one featuring a king berth and the other a twin berth—are situated forward on the lower deck. Furthermore, a dressing area with a pullman berth can be transformed into a fourth cabin as required.

The exterior decks of this yacht for sale are meticulously crafted to harmonize luxury with outdoor leisure. The expansive flybridge serves as a focal point, complete with a sun lounging area perfect for unwinding and soaking in breathtaking views. The main deck aft presents a chic al fresco dining area, ideal for unforgettable meals amidst stunning surroundings. A generously sized swim platform provides effortless access to the water, seamlessly integrating with the transom for smooth transitions.

Equipped with twin 1,400hp CAT 3412 E diesel engines, Boulos offers remarkable performance, achieving top speeds exceeding 30 knots and

cruising comfortably at 22 knots. This yacht is perfectly suited for both thrilling adventures and leisurely coastal explorations, making it an exceptional choice for those looking to buy a yacht in the current boat location.
