DETAILED DESCRIPTION

Description

The 2019 Sunseeker 86 Yacht M/Y Sea Zar is a late model, four stateroom motor yacht presented in immaculate, turnkey condition and offered to an owner who values performance, refinement and pedigree. The split level interior is thoughtfully arranged to maximize privacy and flow, featuring a full beam amidships master suite, a private forward VIP, and two further guest cabins each appointed with en suite heads and showers, complemented by a main deck day head. Guest berths also include practical Pullman bunks, while the well equipped galley has been augmented with additional refrigeration and generous kitchen storage to support extended cruising.

Sea Zar is propelled by twin MTU 12V 2000 engines with approximately 2,100 hours and benefits from a complete, up to date service record plus an extended engine warranty in place through 2027. Comprehensive engine and generator servicing was performed in March 2025 and again in December 2025, and a new helm enclosure was fitted in March 2025 to further enhance the pilothouse environment. Underway comfort and effortless handling are assured by a zero speed fin stabilization system, hydraulic bow and stern thrusters and a cockpit docking station, while navigation and onboard systems are managed through a Simrad electronics suite. An elegant outdoor entertaining area is sheltered by a hardtop with an electric sunroof, and the yacht's refined finish is underscored by a full teak package and interior wood flooring.

Built to 100% US specification and fully serviced for immediate use, Sea Zar's four stateroom, five head layout, comprehensive stabilization and thruster package, cockpit docking station, upgraded galley, Pullman bunks and upscale exterior accommodations present a compelling combination of luxury and

capability. Trades are welcomed and in house financing is available, making this vessel an exceptional avenue to immediate enjoyment on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
