OVERVIEW

Launched in 2025, the Sanlorenzo SX88 is a 27-metre luxury motor yacht and crossover superyacht that reimagines contemporary life aboard. Marrying Italian craftsmanship with forward-thinking styling, she creates a seamless indoor-outdoor rhythm through a loft-inspired main deck, an enclosed flybridge helm and expansive sociable terraces. Capable of hosting up to eight guests in four exquisitely appointed cabins, the SX88 pairs adaptable comfort with confident performance from triple Volvo IPS3 1050 engines. With calm, elegantly streamlined interiors, sweeping sightlines and generous al fresco lounging, this flybridge crossover is a refined family superyacht for owners who prize understated glamour and extraordinary voyages.

DETAILED DESCRIPTION

Sanlorenzo SX88 for sale

Built in 2025, the Sanlorenzo SX88 is a twenty seven metre crossover motor yacht that reimagines modern luxury at sea, combining sophisticated Italian design with effortless functionality and offering a rare opportunity to bypass waiting lists and begin planning extraordinary adventures immediately. Her fully enclosed flybridge helm station delivers air conditioned comfort alongside natural ventilation through electric opening side windows, ensuring control, comfort, and panoramic visibility in all conditions. A flowing, loft inspired main deck creates an expansive open plan environment from bow to stern, providing the perfect stage for entertaining, socialising, and refined living on the water. Outdoors, life unfolds across versatile teak clad spaces: the aft cockpit invites sunset gatherings, while the beach club and bow sunbeds promise sun soaked afternoons or quiet moments with a book and a cocktail. On the flybridge, modular seating, a fully equipped bar, sun awnings, and sweeping views set the scene for relaxed al fresco dining, golden hour cocktails, or lively celebrations under the stars, and the beach club's hydraulic davit adds seamless tender and toy handling to the mix. Inside, the main saloon is a sanctuary of style, with elegant sofas and armchairs, soft rugs, and curated coffee tables bathed in natural light through large windows; an adjacent dining area centred on a polished marble table with comfortable chairs encourages leisurely meals and convivial evenings, while subtle lighting, gentle soft furnishings, and smooth transitions to exterior decks elevate every moment on board. Below deck, four thoughtfully designed cabins provide exceptional guest accommodation: the full beam owner's suite is a serene retreat with a king size bed, a sofa, a vanity, and abundant natural light from large portholes, while the remaining three cabins comprise a VIP suite and two

twins, offering flexible sleeping arrangements — in total, two doubles and two twins each with ensuite bathrooms, luxurious finishes, and generous storage — and dedicated crew quarters ensure discreet, attentive service. Powered by three IPS3 1050 Volvo D13B engines delivering eight hundred horsepower each, the SX88 combines effortless speed with precise handling for smooth, confidence inspiring long range cruising. With timeless Italian styling, sleek contemporary interiors and exteriors, and meticulous attention to detail, she delivers a true twenty seven metre loft experience at sea where luxury, comfort, and the joy of discovery meet in perfect harmony.
